Western Sahara The Roots Of A Desert War:

Western Sahara Tony Hodges,1983 **Conflict and Insurgency in the Contemporary Middle East** Barry

Rubin,2009-01-30 This book surveys the main conflicts and insurgencies in recent Middle East history focusing mainly on the period since the 1980s and taking a historical analytical approach **Social Currents in North Africa** Osama

Abi-Mershed,2018-06-01 Social Currents in North Africa is a multi disciplinary analysis of the social phenomena unfolding in the Maghreb today The contributors analyse the genealogies of contemporary North African behavioral and ideological norms and offer insights into post Arab Spring governance and today s social and political trends The book situates regional developments within broader international currents without forgoing the distinct features of each socio historical context With its common historical cultural and socio economic foundations the Maghreb is a cohesive area of study that allows for greater understanding of domestic developments from both single country and comparative perspectives This volume refines the geo historical unity of the Maghreb by accounting for social connections both within the nation state and across political boundaries and historical eras It illustrates that non institutional phenomena are equally formative to the ongoing project of post colonial sovereignty to social construction and deployments of state power and to local outlooks on social equity economic prospects and cultural identity **International Armed Conflict Since 1945** Herbert K. Tillema,2019-04-08

International Armed Conflict Since 1945 is a bibliographic handbook that briefly describes each of 269 international wars and other war threatening conflicts occurring between 1945 and 1988 **North African Politics** Yahia H. Zoubir,Gregory White,2015-09-16 In the aftermath of the turmoil that shook North Africa in late 2010 and early 2011 commentators and analysts have sought explanations to the factors that triggered the uprisings and to understand why a region seemingly characterized by relative stability for decades would suddenly erupt in convulsions Had an underlying dynamism in the region overwhelmed what were ostensibly stable authoritarian regimes What were the connections to events and dynamics beyond the region such as countries in the Middle East international commodity markets and environmental factors amongst others Why had allies abetted authoritarianism for so long and what were the implications for such alliances North African Politics Change and continuity brings together experts to explore these questions providing in depth analyses of important developments in the region which build upon and complement the 2008 companion volume North Africa Politics Region and the Limits of Transformation This 21 chapter volume is a key contribution that responds to the need in the Anglo American sphere for sustained critical studies on North Africa and examines political economic security social and military aspects of the region Focused studies on individual countries allow detailed discussion of regional factors The book also examines extrinsic trans regional dynamics such as North Africa s influential interdependencies with the Levant and the Gulf Europe Sahelian and sub Saharan Africa and North America Its innovative approach provides new perspectives on North Africa extending its research scope to include Egypt and exploring China s evolving role in the region Providing an important
