Coming Home to a Foreign Country Soon Keong Ong, 2021-08-15 Ong Soon Keong explores the unique position of the treaty port Xiamen Amoy within the China Southeast Asia migrant circuit and examines its role in the creation of Chinese diasporas *Coming Home to a Foreign Country* addresses how migration affected those who moved out of China and later returned to participate in the city's economic revitalization educational advancement and urban reconstruction Ong shows how the mobility of overseas Chinese allowed them to shape their personal and community identities for pragmatic and political gains This resulted in migrants who returned with new money knowledge and visions acquired abroad which changed the landscape of their homeland and the lives of those who stayed Placing late Qing and Republican China in a transnational context *Coming Home to a Foreign Country* explores the multilayered social and cultural interactions between China and Southeast Asia Ong investigates the role of Xiamen in the creation of a China Southeast Asia migrant circuit the activities of aspiring and returned migrants in Xiamen the accumulation and manipulation of multiple identities by Southeast Asian Chinese as political conditions changed and the motivations behind the return of Southeast Asian Chinese and their continual involvement in mainland Chinese affairs For Chinese migrants Ong argues the idea of home was something consciously constructed Ong complicates familiar narratives of Chinese history to show how the emigration and return of overseas Chinese helped transform Xiamen from a marginal trading outpost at the edge of the Chinese empire to a modern prosperous city and one of the most important migration hubs by the 1930s *The Battle Within* Alastair Luft, 2017-06-27 Major Hugh D gar never thought working a desk job could be worse than combat But shortly after starting a new position in a bureaucratic military headquarters far from the front lines he finds himself fighting to maintain his grip on reality Amid sleepless nights and intense memories from his combat service he does what he's always done takes action Afraid of being stigmatized by his chain of command he turns to a psychologist and an estranged friend Daryl now an ex soldier Despite his best efforts Hugh's rage continues to grow When his support network starts to fall apart with no end to his symptoms in sight Hugh finally turns to a questionable military medical system desperate to do anything to save his career marriage and life itself His last hope is that the system supposedly designed to help him doesn't put the final nail into his coffin instead [A Handbook of Treatment](#) H.W. Proctor, P.S. Byrne, 2012-12-06 This book attempts to provide we general physicians with a conveniently sized work for daily reference It deals with an area of medical practice which is rapidly changing For that reason regular updating with new material will need to be considered The book does not profess to be encyclopaedic In order to keep the size of the book within bounds there are no sections devoted solely to psychological medicine or to paediatrics but the book does deal with the more common diseases as revealed by morbidity studies The main section of the book A is concerned with these commoner diseases and is set out in conventional fashion It is in two parts the one dealing with therapeutics the other with clinical pharmacology The second section B reviews therapy in some selected areas Cancer

pain and terminal care contraception and hyperlipoproteinaemias It also contains pieces on common emergencies home renal dialysis and tropical diseases in non tropical countries The creation of pain clinics and the possibilities for the treatment of intractable pain are innovations calculated to be more widely used as we become more aware of their value The field of rehabilitation is one of which we general physicians are on less familiar ground To say that by us it is a neglected field is perhaps not too strong a statement The section on Drugs concentrates on the practical side of drug administration and hence the stress is on the incompatibilities side effects and contraindications
