What Hollywood Believes Ray Comfort, 2004 Designed as a tool to reach the unsaved this intriguing book has enormous evangelistic potential Ray Comfort shares the spiritual beliefs of over 120 top Hollywood stars from past and present such as Tom Cruise Arnold Schwarzenegger Madonna Peter Jennings Winona Ryder John Wayne and George Clooney with beliefs ranging from reincarnation to the idea that God is a woman a deity created in our image or a shaft of light in a doorway Most importantly the author compares many of the celebrity views against the Bible so that the gospel is clearly communicated throughout the book's pages Readers will be challenged to examine their beliefs as they are gently persuaded by God's Word In addition the book will strengthen believers in their own faith by discussing the evidence for the existence of God inspiration of the Bible divinity of Jesus etc This riveting book makes an excellent evangelistic gift with many readers buying one copy for themselves to gain insight into what others believe and additional copies for lost friends and neighbors to lead them to the truth

Faith and the S. T. O. P. Principle Sabrina Fairchild, 2010-09-28 Is this it Have you asked yourself this question Most of us have In this crazy harried fast paced world it's not an uncommon question As career minded individuals we spend our days working tirelessly but to what end In the process we end up putting God who should be at the forefront of our lives in a box on a remote shelf Sure we still believe in God and might even attend church but He's not at the center of our lives It's time we return to our faith and stop S T O P Surrender Trust Obey Patiently wait upon Him for all things We must surrender to God's will in our lives trust His plans for our lives obey Him and His Word and then patiently wait for Him to reveal His will and plans for us It's not an easy task especially when we are so accustomed to shelving God and getting what we want It's time to shelve ourselves and make God the focus of our lives Sabrina Fairchild in sharing her own story and struggle with balancing God in a career driven world gives you the spiritual tools to do it in Faith and the S T O P Principle Sabrina Fairchild is a faith based motivational speaker and former morning television and radio personality Her programs reached thousands of listeners This is her first book She lives in Michigan You can contact Sabrina at www.thetopprinciple.com
