"Till Then Is Now" John Totaro, 2011-02-22 The continued story that is full of intimate details and struggles of my life are exposed. I understand that everyone has a story to tell, but this is different. My first release, *A Cry for Justice*, wasn't the half of it. People write a single book and leave it at that. I have written my second book and I am thrilled to share with you, the reader, the many lessons I have had in my search for truth and understanding. Can one man really be finished with a story about his life? Doesn't life keep going and become stable eventually? Well, you be the judge of that in your own heart after reading this next release. You will be entertained and relieved that people do have it easier than others and the level of learning is different. The often said, "Been there, done that," will have a new meaning.
