What Causes Sexual Orientation Genetics Biology Psychology:

What Causes Sexual Orientation? Genetics, Biology, Psychology Bill Palmer, 2014-11-17 The debate over nature versus nurture continues over the causes of homosexuality Is there a gay gene Is there something about the way a child is raised that can turn her gay Or is being gay simply a choice Taking a look at the major genetic biological and psychological theories of the origins of homosexuality this book asks questions about gender gender identity and sexual orientation that are at the center of gay people's sense of identity and their struggle for civil rights and acceptance by society While for centuries homosexuality was considered a mental illness a moral failure or a biological disorder gay people in the twenty first century have the evidence of scientific research and their authentic experiences of happy and fulfilling lives to support the pride and sense of community that is their rightful place in the modern world [Gay, Straight, and the Reason Why](#) Simon LeVay, 2016-08-01 What causes a child to grow up gay or straight Neuroscientist Simon LeVay summarizes a wealth of scientific evidence that points to one inescapable conclusion Sexual orientation results primarily from an interaction between genes sex hormones and the cells of the developing body and brain LeVay takes the reader on a whirlwind tour of laboratories that specialize in genetics endocrinology neuroscience cognitive psychology evolutionary psychology and family demographics He describes for instance how researchers have manipulated the sex hormone levels of animals during development causing them to mate preferentially with animals of their own gender In this second edition LeVay adds a chapter on bisexuality reviews some uncommon forms of sexuality and considers whether there could be a biological basis for subtypes of gay people such as butch and femme lesbians **Social Problems** Anna Leon-Guerrero, 2018-08-07 Empower your students to become part of the solution The new Sixth Edition of Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With a clear and upbeat tone this thought provoking text challenges readers to see the social and structural forces that determine our social problems to consider various policies and programs that attempt to address these problems and to recognize and learn how they can be part of the solution to social problems in their own community A Complete Teaching Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video tools and resources boost comprehension and bolster analysis Learn more SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school's learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit [Homosexuality Around the World](#) Jaime A.
