But none was more fraught than Jerusalem and Washington's in the 1990s when Israel's financial dependence on the U.S. ignited tensions that threatened Shoval's diplomatic expulsion. Since Israel's founding seventy years ago, Shoval has championed its independence, survival, and global reputation. His public life began as a child relocated from 1930s Europe, throwing rocks at Palestine's British occupiers and living alongside Arabs and Jews whose backgrounds differed greatly from his own. As a college student in the U.S. and Switzerland, an intelligence officer in the Israeli Defense Force, a member of Israel's governing majority in Jerusalem, and Israel's ambassador in Washington, D.C., Shoval's cosmopolitan background has influenced his hopes for Israel and his ability to negotiate with others.
