

Your daddy and me named you Otha. It means 'wealth'. You were your daddy's treasure from the time you were born until he died. He used to say there were rubies buried deep inside of you. Remember, baby, don't never let a man mine you for your riches. Don't let him take a pickax to that treasure in your soul. Remember, they can't get it until you give it to them.

What It Means To Be Daddy:

When is Daddy Coming Home? Richard Carlton Haney, 2020-05-12 Now in paperback a bestselling memoir of a family on the home front during World War II World War II was coming to a close in Europe and Richard Haney was only four years old when the telegram arrived at his family's home in Janesville Wisconsin That moment when Haney learned of his father's death in the final months of fighting changed his and his mother's lives forever In this powerful book Haney explores the impact of war on an American family He skillfully weaves together those memories with his parents' wartime letters and his mother's recollections to create a unique blend of history and memoir Through his father's letters he reveals the war's effect on a man who fought in the Battle of the Bulge with the 17th Airborne but wanted nothing more than to return home Haney illuminates life on the home front in small town America as well describing how profoundly the war changed such communities With *When Is Daddy Coming Home* Richard Haney makes an exceptional contribution to the literature on the Greatest Generation one that is both devastatingly personal and representative of what families all over America endured during that testing time
