Thriller Romance Books:

Marked for Love Cristina Grenier, Vicente Acconci adopted both his stepfather's name and his ruthlessness. However, being kin to the Devil of Sicily has never been easy. It's cost him his mother, his humanity, and any chance of redemption. As an assassin, Vicente has seen his share of cruelty. But Grace Trellis, his latest mark, is a totally different breed. She's no spoiled, conceited little Daddy's girl. In fact, she's quite possibly the most perplexing woman Vicente has ever met. Her bravery and selflessness will remind Vicente what it is like to be truly human and teach him that one's humanity is never truly lost. Grace Trellis has always had a complicated relationship with her father. When she's kidnapped to pay his debts, however, matters take a dangerous turn. Her foreign kidnapper has eyes of steel and a heart of stone, but Grace sees something in him she's never encountered before. A kindred spirit. Together, can they defy the devil and heal their open wounds? Or is Vicente too far gone to let a bruised sparrow touch his hardened heart?

Unwritten Chapters C B Acheson, 2024-10-05 The story is set in a small coastal town where the past lingers in the shadows of the old charming bookstores and the salty air whispers secrets of love and regret. Elara's life takes an unexpected turn when Vivian convinces her to join a literature-inspired role-playing group where participants act out scenes from classic novels. In this immersive game, Elara encounters Lachlan, who joins the group under the guise of research for his novel. As they explore the roles of characters from iconic love stories, Elara and Lachlan find themselves drawn to each other, blurring the lines between fiction and reality. The story delves into their growing connection, the wounds they carry, and the power of literature to heal and transform lives. It's the story of a deepening relationship between Elara and Lachlan, set against the backdrop of a literature-inspired role-playing group. When an enigmatic stranger, Julian, infiltrates their close-knit circle, their once-harmonious creative world begins to unravel. Julian, a charming yet sinister newcomer, introduces them to an unfinished manuscript that stirs more than just curiosity; it awakens buried insecurities, hidden fears, and the darkest aspects of their psyches. As the group delves deeper into the pages, they realize that the mysterious manuscript seems to know them too well. It exposes their vulnerabilities with chilling precision, and soon they find themselves trapped in a psychological game with Julian at the center, pulling the strings. Friendships fracture, trust erodes, and reality blurs as each member of the group struggles to maintain their sanity. Elara, battling to keep her own grip on reality, senses something far more dangerous than mere manipulation at play. As her relationships strain under the pressure of Julian's influence, she begins to question whether they can break free or if they're merely characters in Julian's twisted narrative. In this intricate tale of romance, deception, obsession, and betrayal, *Unwritten Chapters* forces its characters to confront the unwritten truths they've been running from and the consequences of letting someone else write their story. A literary thriller that explores the power of love and words, the fragility of the mind, and the darkest corners of the human soul.
