WALNECK'S CLASSIC CYCLE TRADER, DECEMBER/JANUARY 1986-87 Causey Enterprises, LLC, [The Triumph of Grace](#) Daniel I. Block,2017-11-06 The Apostle Paul's negative statements about the law have deafened the ears of many to the grace that Moses proclaims in Deuteronomy Most Christians have a dim view of this book which they consider to be primarily a book of laws However when we read or hear it read orally without prejudice we discover that rather than casting Moses as a legislator he appears as Israel's first pastor whose congregation has gathered before him to hear him preach his final sermons Accordingly Deuteronomy represents prophetic preaching at its finest as Moses seeks to inspire the people of God to a life of faith and godliness in response to God's repeated demonstrations of grace Deuteronomy is a dead book for many because we have not recognized this gospel we have heard only law The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Hebrew Scriptures in general and to open their ears to God's amazing grace in Deuteronomy in particular The wide ranging meditations in this volume do not all focus equally on the topic of God's grace but this theme undergirds them all *Construction Methods and Equipment* ,1956
