Viral World Long T. Bui, 2024-06-07 This book argues that the catastrophe of COVID 19 provided a momentous time for groups institutions and states to reassess their worldviews and relationship to the entire world Following multiple case studies across dozens of countries throughout the course of the pandemic this book is a timely contribution to cultural knowledge about the pandemic and the viral politics at the heart of it Mapping the various forms of global consciousness and connectivity engendered by the crisis the book offers the framework of viral worlding defined as viral forms of relationality becoming and communication It demonstrates how worlding or world making processes accelerated with the novel coronavirus New emergent forms of being global went viral to address conditions of inequality as well as forge possibilities for societal transformation Considering the tumult wrought by the pandemic Bui analyzes progressive movements for democracy abolition feminism environmentalism and socialism against the world shattering forces of capitalism authoritarianism racism and militarism Focusing on ways the pandemic disproportionately impacted marginalized communities particularly in the Global South this book juxtaposes the closing of their lifeworlds and social worlds by hegemonic global actors with increased collective demands for freedom mobility and justice by vulnerable people The breadth and depth of the book thus provides students scholars and general readers with critical insights to understanding the world s of COVID 19 and collective efforts to build better new ones

Community Conservatives and the Future John Horst, 2013-08-30 Is it possible Can it be that those who would identify themselves as sympathetic to the Occupy Wall Street movement have something in common with those who would be sympathetic to the Tea Party What might this mean for a political environment more and more of us are becoming convinced is stacked against ordinary people Here is what that might look like told from the perspective of one who while sympathizing with the Tea Party movement s concern for the fiscal future of our kids economy yet recognizes that the same basic dynamic that has produced debts and deficits has also produced income inequality A wide array of political issues are taken up here from a conservative point of view But this is a conservatism rooted in the community not the Wall Street board room or country club lounge The

hearts and minds of a generation which puts belonging before believing can be reached by conservative ideas but these ideas must be articulated within a commitment to putting community first and then interpreting our politics in that light **YC**
