P Cramer, Richard Ben Cramer

What It Takes The Way To The White House:

What It Takes Richard Ben Cramer, 2011-08-02 Before Game Change there was What It Takes a ride along the 1988 campaign trail and possibly the best book ever written about an American election NPR Written by Pulitzer Prize winning journalist and New York Times bestselling author Richard Ben Cramer What It Takes is a perfect pitch rendering of the emotions the intensity the anguish and the emptiness of what may have been the last normal two party campaign in American history Time An up close in depth look at six candidates George H W Bush Bob Dole Joe Biden Michael Dukakis Richard Gephardt and Gary Hart this account of the 1988 US presidential campaign explores a unique moment in history with details on everything from Bush at the Astrodome to Hart s Donna Rice scandal Cramer also addresses the question we find ourselves pondering every four years How do presumably ordinary people acquire that mixture of ambition stamina and pure shamelessness that allows them to throw their hat in the ring as a candidate for leadership of the free world

Exhaustively researched from thousands of hours of interviews What It Takes creates powerful portraits of these Republican and Democratic contenders and the consultants donors journalists handlers and hangers on who surround them as they meet greet and strategize their way through primary season chasing the nomination resulting in a hippped up amalgam of Teddy White Tom Wolfe and Norman Mailer Los Angeles Times Book Review With timeless insight that helps us understand the current state of the nation this ultimate insider s book on presidential politics explores what helps these people survive what makes them prosper what drives them and ultimately what drives our government human beings in all their flawed glory San Francisco Chronicle
