remarkable endurance and speed accomplished on a vegan diet he's finished first in nearly all of ultrarunning's elite events over the course of his career. But after two decades of racing, training, speaking, and touring, Jurek felt an urgent need to discover something new about himself. He embarked on a wholly unique challenge: one that would force him to grow as a person and as an athlete, breaking the speed record for the Appalachian Trail North. This is the story of the 2,189-mile journey that nearly shattered him. When he set out in the spring of 2015, Jurek anticipated punishing terrain, forbidding weather, and inevitable injuries. He would have to run nearly 50 miles a day every day for almost seven weeks. He knew he would be pushing himself to the limit; that comfort and rest would be in short supply, but he couldn't have imagined the physical and emotional toll the trip would exact, nor the rewards it would offer. With his wife, Jenny, friends, and the kindness of strangers supporting him, Jurek ran, hiked, and stumbled his way north, one white blaze at a time. A stunning narrative of perseverance and personal transformation, *North* is a portrait of a man stripped bare on the most demanding and transcendent effort of his life. It will inspire runners and non-runners alike to keep striving for their personal best.

Eat and Run Scott Jurek, Steve Friedman, 2012-01-01

Run until you can't run anymore. Then run some more. Find a new source of energy and will. Then run even faster. The words of Scott Jurek, a dominant force and darling in the gruelling and growing sport of ultrarunning for more than a decade. In 1999, as a complete unknown, he took the lead in the Western States Endurance Run, a 100-mile jaunt over the Gold Rush trails of America's Sierra Nevada. He went on to win that race seven years in a row. Jurek was also one of the elite runners who travelled to Mexico to run with the Tarahumara Indians, as profiled in the international bestseller *Born to Run*. His accomplishments are nothing short of extraordinary. In *Eat and Run*, Jurek opens up about his life and career as an elite athlete and about the vegan diet that is key to his success. From his Midwestern childhood of hunting and fishing to his slow transition to ultrarunning and veganism to his epic record-breaking races, Jurek's story shows the power of an iron will and the importance of thinking of food as fuel. Full of stories of endurance and competition, as well as practical advice and some of his original recipes, *Eat and Run* will motivate people to go the distance, whether that means getting out for a first run, expanding your food horizons, or simply exploring the limits of human potential.
