

Understanding African American Rhetoric

Classical Origins to Contemporary Innovations

Edited by
RONALD L. JACKSON II & ELAINE B. RICHARDSON
With a Foreword by Orlando L. Taylor

Understanding African American Rhetoric Classical Origins To Contemporary Innovations

Michael Ezra

Understanding African American Rhetoric Classical Origins To Contemporary Innovations:

Understanding African American Rhetoric Ronald L. Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture's values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics

The Routledge Reader of African American Rhetoric Vershawn Ashanti Young, Michelle Bachelor Robinson, 2024-11-01 The Routledge Reader of African American Rhetoric is a comprehensive compendium of primary texts that is designed for use by students teachers and scholars of rhetoric and for the general public interested in the history of African American communication The volume and its companion website include dialogues creative works essays folklore music interviews news stories raps videos and speeches that are performed or written by African Americans Both the book as a whole and the various selections in it speak directly to the artistic cultural economic gendered social and political condition of African Americans from the enslavement period in America to the present as well as to the Black Diaspora

African American Rhetoric(s) Elaine B Richardson, Ronald L Jackson, II, 2007-02-12 African American Rhetoric's Interdisciplinary Perspectives is an introduction to fundamental concepts and a systematic integration of historical and contemporary lines of inquiry in the study of African American rhetorics Edited by Elaine B Richardson and Ronald L Jackson II the volume explores culturally and discursively developed forms of knowledge communicative practices and persuasive strategies rooted in freedom struggles by people of African ancestry in America Outlining African American rhetorics found in literature historical documents and popular culture the collection provides scholars students and teachers with innovative approaches for discussing the epistemologies and realities that foster the inclusion of rhetorical discourse in African American studies In addition to analyzing African American rhetoric the fourteen contributors project visions for pedagogy in the field and address new areas and renewed avenues of research The result is an exploration of what parameters can be used to begin a more thorough and useful consideration of African Americans in rhetorical space

Haitian Modernity and Liberative Interruptions Celucien L. Joseph, 2013-12-20 Haitian Modernity and Liberative

Interruptions investigates the intersections of history literature race religion decolonization and freedom that led to the founding of the postcolonial state of Haiti in 1804 Particular attention is given to the place of religion in the Haitian Revolution as well as to the interpretation and representation of this singular event in the work of Frederick Douglass and Langston Hughes This book not only examines the multiple legacies and the problems of Enlightenment modernity imperial colonialism Western racism and hegemony but also studies their complex relationships with the institutions of slavery religion and Black freedom Topics range from Makandal s postcolonial religious imagination to Boukman s liberation theology to Langston Hughes discussion of the role of prophetic religion in the Haitian Revolution Haitian Modernity and Liberative Interruptions also compares Du Bois s theory of double consciousness with Fanon s theory of decolonization and revolutionary humanism

Struggle for the City Derek G. Handley, 2024-08-14 The urban renewal policies stemming from the 1954 Housing Act and 1956 Highway Act destroyed the economic centers of many Black neighborhoods in the United States Struggle for the City recovers the agency and solidarity of African American residents confronting this diagnosis of blight in northern cities in the 1950s and 1960s Examining Black newspapers archival documents from Black organizations and oral histories of community advocates Derek G Handley shows how African American residents in three communities the Hill district of Pittsburgh the Bronzeville neighborhood of Milwaukee and the Rondo district of St Paul enacted a new form of citizenship to fight for their neighborhoods Dubbing this the Black Rhetorical Citizenship a nod to the integral role of language and other symbolic means in the Black Freedom Movement Handley situates citizenship as both a site of resistance and a mode of public engagement that cannot be divorced from race and the effects of racism Through this framework Struggle for the City demonstrates how local organizers leaders and residents used rhetorics of placemaking community organizing and critical memory to resist the bulldozing visions of urban renewal By showing how African American residents built political community at the local level and by centering the residents in their own narratives of displacement Handley recovers strategies of resistance that continue to influence the actions of the Black Freedom Movement including Black Lives Matter

Badass Feminist Politics Sarah Jane Blithe, Janell C. Bauer, 2022-02-11 Badass Feminist Politics explores gender difference feminist methods stigma social movements mediated communication intersectional feminist theory and pedagogy It is a testament to resilience resistance and forward thinking about what these themes mean for new feminist agendas

A Century of Communication Studies Pat J. Gehrke, William M. Keith, 2014-12-05 This volume chronicles the development of communication studies as a discipline providing a history of the field and identifying opportunities for future growth Editors Pat J Gehrke and William M Keith have assembled an exceptional list of communication scholars who in the thirteen chapters contained in this book cover the breadth and depth of the field Organized around themes and concepts that have enduring historical significance and wide appeal across numerous subfields of communication A Century of Communication Studies bridges research and pedagogy addressing themes that connect classroom practice and publication Published in the 100th

anniversary year of the National Communication Association this collection highlights the evolution of communication studies and will serve future generations of scholars as a window into not only our past but also the field's collective possibilities

Prophetic Peril Thomas M. Fuerst, 2025-02-17 Prophecy reimagines the world. It critiques what is and encourages its audience to imagine what could be. All prophecy therefore begins with a person willing to reimagine their own situation. In the biblical and African American traditions, this person receives a call to prophetic ministry that upends their reality and compels them to change the way things are. Prophetic Peril: The Rhetoric of Nineteenth Century African American Prophetic Call Narratives invites readers into the imaginative, subversive, and ethically complicated stories of four nineteenth-century Black figures who received the call to challenge the what is and live into the what could be in the midst of a hard-hearted world. Focusing on the prophetic call narratives of Maria Stewart, Nat Turner, Julia Foote, and Richard Allen, author Thomas M. Fuerst offers insight into the unique contributions this tradition makes to American oratory, storytelling, history, ethics, theology, and protest. As Fuerst demonstrates, Turner's call narrative subverts white political interests and expands politics to include the resistance rhetoric and witness of those on the margins. Allen's apologetic narration combines deeply thoughtful Protestant exegesis with a liberation theology shaped by the experience of enslavement, anchoring his rhetorical power in the experience of Black people in the nineteenth century. The call narratives of Stewart and Foote circumvent patriarchy and resist patriarchal interpretations of the Bible through biblical embodied dramatic visionary appeals that sidestep persuasion and demand either acceptance or rejection. Taken together, these case studies reveal how antebellum Black preachers used religious storytelling to resist white patriarchal oppression and assert their own voices, offering unique insight to our understanding of prophecy and resistance.

Encyclopedia of African American History, 1896 to the Present: J-N, 2009 Alphabetically arranged entries from J to N that explore significant events, major persons, organizations, and political and social movements in African American history from 1896 to the twenty-first century. *A Teacher's Introduction to African American English* Teresa M. Redd, Karen Schuster Webb, 2005 Known at various times as Black English, Ebonics, and currently as African American English (AAE), the spoken word of many African Americans is influenced by dialectal and linguistic features. How AAE interacts with standard written English is explored, including the effect on students' ability to write in standard English and how a teacher can help students become effective writers. *CLA Journal* College Language Association (U.S.), 2004 *Huihui* Jeffrey Carroll, Brandy Nālani McDougall, Georganne Nordstrom, 2015 Anthology of critical essays, poetry, short fiction, speeches, photography, and personal reflections. **Back to the Classroom** Staci

Perryman-Clark, 2010 *WPA, Writing Program Administration*, 2007 The Journal of Speculative Philosophy, 2004

The Western Journal of Black Studies, 2002 *Contemporary Authors* Tracey Watson, 2004-04 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original *Contemporary Authors* entries. A softcover cumulative index is published twice per year, included in

subscription **Crying Out in the Wilderness** Nicholas Anthony Valdez, 2008 Writing a Wrong Rhea Estelle
