Understanding Church Growth Donald A. McGavran, 1990-07-12 Author Donald A McGavran is considered a founder of the Church Growth Movement in America In this 3rd edition of his standard work McGavran analyzes the causes methods and strategies for successful church growth both in America and abroad *Understanding Church Growth* Donald Anderson McGavran, 1980 Soon after it was published *Understanding Church Growth* by Donald McGavran Eerdmans 1970 became known as the definitive exposition of the church growth philosophy and its author was recognized as the dean of church growth studies and prophet of church growth importance and practices *Southwestern Journal of Theology* Though *Understanding Church Growth* was geared toward overseas missions many began to see that its principles and strategies were also applicable to North American churches Because of the widening interest in North American church growth Donald McGavran has revised and updated his landmark study to make it more relevant and accessible to pastors and lay leaders in the United States and Canada This revision has not altered the original aim of the book to demonstrate that communicating the faith discipling the nations and propagating the Gospel are the chief and irreplaceable tasks of the church biblically required and pragmatically sound McGavran has however Americanized the book throughout so that basic church growth principles can be more easily applied to the burgeoning American Church Growth Movement Besides adding three new chapters McGavran has incorporated the recent contributions of several contemporary church growth specialists including C Peter Wagner Ralph Winter Winfield Arn and George Hunter Back cover *Church Growth and the Whole Gospel* C. Peter Wagner, 1998-12-15 Has the church growth movement failed to stress the social dimensions of the Christian faith Dr Peter Wagner a leading exponent of church growth argues that Christians can evangelize and churches can grow strongly while at the same time participating in the global struggle on behalf of the poor and oppressed for justice and peace for brotherhood and liberation and for the alleviation of human suffering **Church Growth** C.
