Observation Skills for Effective Teaching Gary D. Borich, 2016-01-08 Thoroughly updated for the new era of Common Core Standards, this seventh edition of *Observational Skills for Effective Teaching* is vital in this time of educational change. It offers a detailed yet easily accessible handbook for teachers to prepare for and design their first classroom experiences. Updated with the newest research on effective teaching and learning, the book cogently introduces such topics as learning climate, classroom management, and lesson clarity, with the newest findings that lead to desirable cognitive, social, and emotional outcomes in learners.

Leading the Common Core State Standards Cheryl A. Dunkle, 2012-05-01 Transform your school using proven core curriculum practices. Many educators agree that we already know how to foster student success, so what is keeping common sense from becoming common practice? The author provides step-by-step guidance for overcoming the barriers to adopting the Common Core State Standards (CCSS) and achieving equity and excellence for all students. As an experienced teacher and principal, Cheryl Dunkle is well-versed in staff members' perspectives and gives school leaders valuable tools for fostering the teacher and parent buy-in needed to put the CCSS into practice. This practical guide shows leaders how to implement the CCSS, which will ultimately result in continuous quality improvement in schools. *Leading the Common Core State Standards* addresses these key issues and more: Communicating the CCSS to teachers and parents and attaining their buy-in; Transitioning schools and districts to align with the CCSS; Determining which teaching and learning practices need to change; Garnering resources and support for reforms. Many timesaving and supportive professional learning resources are provided, including guiding questions, an annotated bibliography, and a list of helpful references. These tools equip leaders to create collaborative structures and a climate of trust for sharing professional expertise and expanding the capacity of every staff member. There are no effective quick fixes in education. However, the steps outlined in this book will put you, your staff, and your students on a common sense path to success.
