**Progressive Dystopia** MICHAEL OZGA, 2012-02-06 We are at a crossroads in our nations history and presented with two distinct choices liberty or tyranny We either believe in American exceptionalism and the founding principle that man can rule himself Or we choose a style of governance that centrally plans our very existence We either believe in the principles espoused by Washington Jefferson Madison Franklin et al or we believe in the principles espoused by Marx Engels Bismarck Lenin et al Following The Constitutional Convention Benjamin Franklin said we have a Republic if we can keep it A warning against apathy and a call to arms that freedom requires eternal vigilance Reagan planted his flag and asked if not us who if not now when We are presented with a choice between a style of government whereby the power is derived from the people and a style of government that usurps all power from the governed Progressivism is a villainous perfidy and a style of government completely antithetical to our founding principles
