Wealth Shift Wealth Shift:

Wealth Shift Christopher D. Brooke,2006-01-03 Wealth Shift describes the enormous financial impact on all investors as they approach retirement and their accumulated investments shift from wealth accumulation to wealth preservation No matter what a person s age or current financial profile they need to know what to do about preserving and growing wealth pre retirement and retirement investment strategies real estate opportunities and challenges hot investment sectors healthcare leisure and entertainment construction and infrastructure and the future for bonds dividends and stocks With real life examples and sensible advice Wealth Shift identifies challenges and opportunities and defines the important courses of action that both anticipate and capitalize on the enormous shifts ahead Whether a person is already retired an early or late stage boomer a Gen Xer or younger the good news is that they can Develop strategies for preserving and growing wealth in the looming wealth shift Learn how to be part of the wave that will lead the American economy Discover the effects of political institutions and a consumer economy under stress Take advantage of opportunities in real estate and other viable investments

Dynamics of the Coming Wealth Transfer Eli Fiadzoe,2018-02-21 If you are a believer this is the time to set yourself up for a supernatural wealth transfer You see God has set this moment up to enrich his people by the wealth of the wicked and you are one of the beneficiaries For many years the wicked had been gathering wealth for himself at the expense of the innocent and the vulnerable He carried out injustice broke the jaws of authority and carried out his enterprise He enriched himself in the end For many years individuals and organisations have used their wealth for the wrong purposes such as sponsoring terrorism and war pushing drugs bribing authorities for favours and indulging in ritual killings Wealth has been acquired through such wicked maneuverings as drugs and sex trafficking and used to champion such causes as pushing for transgenderism same sex marriage and promotion of nudity and sex in motion pictures For many years ill gotten wealth has been used to resource political ambitions and for destabilizing the political power balance of nations and multinationals Accounts abound of wealthy individuals passing on whole estates to their pet dogs or willing them to blatantly immoral successors Undoubtedly such decadence has left a scar on the conscience of humanity Now the acquisition of wealth or the ownership of it is viewed with suspicion and scepticism and the real beauty and glory of wealth is lost
