

To My Groom

*Today I vow to love you,
To be yours forever more.
It's the day that I become the wife,
Of the man that I adore.
Before you came into my life,
I never really knew
That I could feel for anyone,
The love I feel for you.
I'll be beside you every step,
Through all life brings our way.
Today I vow to Love You,
On this Wedding Day.*

Thirty by 30 Hannah Franklin,2020-12-19 Thirty by 30 How to Plan the Perfect Wedding is a humorous wedding planning book based on the thirty plus weddings I have been invited to from the perspective of a wedding goer with the knowledge of a wedding planner In 2013 when I was invited to seven weddings I made an arbitrary goal to be invited to thirty weddings by the time I turned 30 years old As years went by this became a legitimate life goal and I grew more and more excited about each wedding invitation I received As this goal started to turn into reality I decided it would be fun to convert it into a book Throughout the book I share all the hilarious stories from all the weddings I have attended as well as some practical how to lessons in planning a wedding I will never forget the weddings

where the father of the bride forgot his pants and the best man forgot the rings Or the bridezilla that was so demanding she lost a friend through the wedding planning process Weddings can be very stressful and unfortunately bring out the worst in people While the book has a lot of comical real life stories from each wedding I have attended it also has practical lessons and tips on how to plan your perfect wedding A theme that runs throughout the book is a reminder that your wedding is only one day and things will go wrong I encourage the brides planning their wedding to focus more on their relationship with their fianc and their forever life together and not get too overwhelmed with all the details of planning a wedding The planning process should be fun and exciting not stressful and turn you into a bridezilla Thirty by 30 is a lighthearted easy read to help eliminate the stress of the wedding planning process The content has a good balance of humor and seriousness to calm any nervous bride down as they plan their dream wedding *Anthropological Papers of the American Museum of Natural History* ,1985
