

Ulysses S Grant Architect American

Roger C. Aden

Ulysses S Grant Architect American:

Ulysses S. Grant U. S. Army War College, Penny Hill Press, 2015-12-04 Ulysses S Grant began his military service in 1839 when he entered the U S Military Academy Upon graduation in 1843 he was assigned to an infantry regiment that was destined for duty in the Mexican War Grant participated in most of the major Mexican War campaigns and after the War would continue on active duty until 1854 Ten years later Lieutenant General Ulysses S Grant Commander in Chief of the Union Army would conceive and orchestrate the Campaign that ended the Civil War The purpose of this book is to explore Grant s development as a military leader by researching his personal correspondence His understanding of national strategy and the operational level of war was the focus of this work In addition Carl Von Clausewitz s concept of military genius was used to analyze Grant s military intellect The study revealed that he possessed a sharp military intellect based on common sense and that his understanding of national strategy and the operational art is worthy of study by all military professionals

Ulysses S. Grant U. S. Army U.S. Army War College, 2015-04-24 Ulysses S Grant began his military service in 1839 when he entered the U S Military Academy Upon graduation in 1843 he was assigned to an infantry regiment that was destined for duty in the Mexican War Grant participated in most of the major Mexican War campaigns and after the War would continue on active duty until 1854 Ten years later Lieutenant General Ulysses S Grant Commander in Chief of the Union Army would conceive and orchestrate the Campaign that ended the Civil War The purpose of this book is to explore Grant s development as a military leader by researching his personal correspondence His understanding of national strategy and the operational level of war was the focus of the paper In addition Carl Von Clausewitz s concept of military genius was used to analyze Grant s military intellect The study revealed that he possessed a sharp military intellect based on common sense and that his understanding of national strategy and the operational art is worthy of study by all military professionals

Proceedings of the ... Annual Convention of the American Institute of Architects ,1928 *The American Architect and the Architectural Review* ,1923 **Grant's Tomb** Louis L. Picone, 2021-02-16 The moving story of Ulysses S Grant s final battle and the definitive account of the national memorial honoring him as one of America s most enduring heroes The final resting place of Ulysses S Grant the victorious general in the Civil War and the eighteenth president of the United States is a colossal neoclassical tomb located in the most dynamic city in the country It is larger than the final resting place of any other president or any other person in America Since its creation the popularity and condition of this monument built to honor the man and what he represented to a grateful nation at the time of his death a mere twenty years after the end of the Civil War have reflected not only Grant s legacy in the public mind but also the state of New York City and of the Union In this fascinating deeply researched book presidential historian Louis L Picone recounts the full story He begins with Grant s heroic final battle during the last year of his life to complete his memoirs in order to secure his family s financial future while contending with painful incurable cancer Grant accomplished this just days before his death and his memoirs published by

Mark Twain became a bestseller Accompanying his account with numerous period photographs Picone narrates the national response to Grant s passing and how his tomb came to be the intense competition to be the resting place for Grant s remains the origins of the memorial and its design the struggle to finance and build it over the course of twelve years and the vicissitudes of its afterlife in the history of the nation up to recent times **Great American Hotel Architects Volume 2** Stanley Turkel CMHS,2020-10-27 The fourteen architects featured in this book designed 304 hotels and apartment hotels Many were designed on the European plan for families to live without full service kitchens Meals were prepared and served in restaurant type dining rooms catering exclusively to residents and their families The apartment hotels employed full time service staffs who prepared and served daily room service meals The first apartment hotels were built between 1880 and 1895 They were followed by a second wave of construction after the passage of the 1899 building code and the 1901 Tenement House Law The third wave of apartment hotel construction occurred during the 1920s and ended with the Great Depression of the thirties The passage of the Multiple Dwelling Act of 1929 altered height and bulk restrictions and permitted high rise apartment buildings for the first time **The American Architect** ,1929 The Architects of Toxic Politics in America Kenneth T. Walsh,2024-04-16 The Architects of Toxic Politics in America Venom and Vitriol explains the history of poison politics in America by profiling some of the key political attack dogs who have shaped the modern landscape Comparing and contrasting the Trump and Biden presidencies with administrations of the past the book explains the unique character of the current toxic political moment and the forces that have created it The book also focuses quite extensively on non presidential architects of toxic politics other politicians campaign strategists activists and media figures and a few key figures that have fulfilled two or more of these roles Drawing on his long career as a journalist specializing in presidential coverage Kenneth T Walsh argues that due to the complex often conflicting nature of American government the angriest most decisive voices can command media voter and legislative attention and thereby maintain and consolidate power This results in frustration alienation and cynicism and ultimately a diminishment of voter participation that can reinforce the vicious cycle and lead to electoral disaster For anyone interested in politics media and the culture of gotcha journalism this book will also be a valuable addition to undergraduate and graduate courses on politics the presidency political and media ethics campaign history and government **American Architect and the Architectural Review** ,1929 US Public Memory, Rhetoric, and the National Mall Roger C. Aden,2018-04-26 US Public Memory Rhetoric and the National Mall examines the nation s front yard understanding it as both a public face the United States presents to the world and a site where its less apparent moral story is told This book provides a uniquely thorough interdisciplinary and integrated examination of how the National Mall shares a moral story of the United States and in so doing reveals the soul of the nation The contributors explore 11 different memorials monuments and museums found across the Mall considering how each rhetorically remembers a key element of the nation s past what the rhetorical memory tells us about the nation s soul and

how each site must thus be understood in relation to the commemorative landscape of the Mall **The American School Board Journal** William George Bruce, William Conrad Bruce, 1923 Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C. Library of Congress. Copyright Office, 1901 **Ulysses S. Grant** Robert G. Shields, 1993 Ulysses S Grant began his military service in 1839 when he entered the U S Military Academy Upon graduation in 1843 he was assigned to an infantry regiment that was destined for duty in the Mexican War Grant participated in most of the major Mexican War campaigns and after the War would continue on active duty until 1854 Ten years later Lieutenant General Ulysses S Grant Commander in Chief of the Union Army would conceive and orchestrate the Campaign that ended the Civil War The purpose of this study was to explore Grant s development as a military leader by researching his personal correspondence His understanding of national strategy and the operational level of war was the focus of the paper In addition Carl Von Clausewitz s concept of military genius was used to analyze Grant s military intellect The study revealed that he possessed a sharp military intellect based on common sense and that his understanding of national strategy and the operational art is worthy of study by all military professionals
