Una Y Otra Vez Lumen:

Panic Signs Cristina Peri Rossi, 2006-01-01 Cristina Peri Rossi is one of the most acclaimed and personal voices in Hispanic letters. This volume of short stories *Panic Signs* first published in 1970 in Montevideo, Uruguay, presages the atrocities that would come with dictatorship in 1972. The premonitory dimension is one of the striking characteristics in all the stories: a sense of impending catastrophe, sometimes hallucinatory and often graphic, leads us to undetermined places where the horrors of censorship, torture, and human bondage take place. At the same time, the stories expose the shackles that incapacitate us and deny us the acceptance of ourselves. This elegy for freedom mourns the loss of liberty and justice while seducing us into questioning what we hold true. The metaphorical procession of images and the craftsmanship of a narrative that continually engage us motivate us to explore our own uncertainties and values and offer an unquestionable opportunity to reassess today's global conditions. Peri Rossi succeeds in creating a whirlwind of despair and self-discovery, impelling us to assess our own panic signs and so avoid being entrapped by those who hold power over us. The translation of this powerful text will help English-speaking readers attain a more profound understanding of the complexities of Latin America's cultural and socio-political issues.

Latin American Women Writers: An Encyclopedia María Claudia André, Eva Paulino Bueno, 2014-01-09 *Latin American Women Writers: An Encyclopedia* presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries. This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese and who have had an impact on literary, political, and social studies. Focusing on drama, poetry, and fiction, this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and culture. Each entry is followed by extensive bibliographic references, including primary and secondary sources. Coverage consists of critical appreciation and analysis of the writers' works. Brief biographical data is included, but the main focus is on the meanings and contexts of the works as well as their cultural and political impact. In addition to author entries, other themes are explored, such as humor in contemporary Latin American fiction, lesbian literature in Latin America, magic realism, or mother images in Latin American literature. The aim is to provide a unique, thorough scholarly survey of women writers and their works in Latin America. This *Encyclopedia* will be of interest to both the student of literature as well as to any reader interested in understanding more about Latin American culture, literature, and how women have represented gender and national issues throughout the centuries.

Erotismo, transgresión y exilio Manuel Jesús Gómez de Tejada Fuentes, 2017 *Hora de poesía*, 1996 *Los papeles de Herralde* Jordi Gracia, 2021-03-17 Una trepidante y a ratos explosiva colección de pistas que nos dejan entrever a un tema de la edición literaria internacional en la intimidad de su oficio. Aunque el oficio de editor es enigmático, estos papeles ofrecen una trepidante y a ratos explosiva colección de pistas para saber cómo lo ejerció Jorge Herralde. Desde la compra de una máquina de escribir, una mesa y una silla en 1968 hasta la decisión de contratar a Patricia Highsmith a Tom Wolfe a Carmen Martín Gaité.

a Martin Amis o a Ryszard Kapuściński el libro sumerge al lector en la agitación diaria de Anagrama a través de las cartas de Herralde a autores agentes críticos periodistas y colegas desde la fundación de la editorial y hasta el año 2000 Ahí es donde Herralde toma sus decisiones casi siempre a toda velocidad y casi siempre con buenas razones lógicas descarta manuscritos negocia derechos revisa pruebas sugiere portadas propone opciones y manda cartas a veces incendiarias o interviene en la discusión pública sin neutralidad política alguna El suyo es un oficio sin leyes sin normas sin pautas y por eso solo la personalidad del editor decide las rutas imprevisibles de la aventura el gusto la intuición la temeridad y la imaginación determinan los autores las diatribas los debates las colecciones las portadas Ya en la primera Anagrama guerrillera subversiva y revolucionaria Herralde supo detectar el cambio de los tiempos para impulsar otra revolución más profunda más pertinente y a partir de 1977 ofreció a los ciudadanos de una democracia titubeante los libros que no sabían que querían leer gracias a colecciones tan potentes como la heterodoxa y corsaria Contrastes la ambiciosa y global Panorama de narrativas o una pionera colección de buen periodismo tan viva como Crónicas Pero no solo inventó a los nuevos lectores inventó también a buena parte de los nuevos novelistas y ensayistas de la democracia cuando creó el Premio Anagrama de Ensayo en 1972 así como el Premio Herralde de Novela y la colección Narrativas hispánicas en 1983 Todo el mundo sabe que Herralde es un ítem de la edición literaria internacional pero aquí es además un ítem visto en la intimidad de su oficio
