Uncanny Encounters Literature Psychoanalysis Alterity:

Uncanny Encounters John Zilcosky, 2016 Introduction uncanny encounters Germans in the jungle hot land and tales of adventure Europe in India Hermann Hesse and the East Savage Freud primitives adventurers and the uncanny method Exotic Europe modernist ethnographies Mann Hofmannsthal Musil Epilogue toward a theory of uncanny violence **Visual Culture in Freud's Vienna** Mary Bergstein, 2024-02-22 Visual Culture in Freud's Vienna shows how photography and film in turn of the century Vienna the birthplace of psychoanalysis not only reflected modernist ideas already in force but helped to bring into being what might be referred to as a psychoanalytic imagination Mary Bergstein demonstrates that visual images not only illustrated but also engendered ways of seeing social psychological and scientific ideas during a formative time in the creation and development of psychoanalysis and the modern age Indeed she argues that visual culture initiated significant aspects of psychoanalytic thought Visual Culture in Freud's Vienna examines a variety of visual materials and texts ranging from scientific illustrations to popular low culture and even forms of erotica including film Attention is also given to women's dresses and shoes in a social context and as they are represented in photography and circulated as fetish objects Bergstein maintains a commitment to women's history and feminist inquiry throughout particularly in her final chapter which is devoted to the representations of women in the erotic photography and film Visual Culture in Freud's Vienna is well illustrated with images drawn from the sources discussed and makes a significant contribution to our understanding of modernism and psychoanalysis **Routledge Handbook of International Law and the Humanities** Shane Chalmers, Sundhya Pahuja, 2021-05-19 This Handbook brings together 40 of the world's leading scholars and rising stars who study international law from disciplines in the humanities from history to literature philosophy to the visual arts to showcase the distinctive contributions that this field has made to the study of international law over the past two decades Including authors from Australia Canada Europe India South Africa the UK and the USA all the contributors engage the question of what is distinctive and critical about the work that has been done and that continues to be done in the field of international law and the humanities For many of these authors answering this question involves reflecting on the work they themselves have been contributing to this path breaking field since its inception at the end of the twentieth century For others it involves offering models of the new work they are carrying out or else reflecting on the future directions of a field that has now taken its place as one of the most important sites for the study of international legal practice and theory Each of the book's six parts foregrounds a different element or cluster of elements of international law and the humanities from an attention to the office conduct and training of the jurist and jurisprudent Part 1 to scholarly craft and technique Part 2 to questions of authority and responsibility Part 3 history and historiography Part 4 plurality and community Part 5 as well as the challenge of thinking and rethinking international legal concepts for our times Part 6 Outlining new ways of imagining and doing international law at a moment in time when original critical thought and practice is more necessary than ever this

Handbook will be essential for scholars students and practitioners in international law international relations as well as in law and the humanities more generally

Policing Literary Theory ,2018-01-03 The present age of omnipresent terrorism is also an era of ever expanding policing What is the meaning and the consequences of this situation for literature and literary criticism Policing Literary Theory attempts to answer these questions presenting intriguing and critical analyses of the interplays between police policing and literature literary criticism in a variety of linguistic milieus and literary traditions American English French German Japanese Korean Russian and others The volume explores the mechanisms of formulation of knowledge about literature theory or culture in general in the post Foucauldian surveillance society Topics include North Korean dictatorship spy narratives censorship in literature and scholarship Russian and Soviet authoritarianism Eastern European cultures during communism and Kafka s work Contributors Vladimir Biti Reingard Nethersole C lin Andrei Mihilescu Sowon Park Marko Juvan Kyohei Norimatsu P ter Hajdu Norio Sakanaka John Zilcosky Yvonne Howell and Takayuki Yokota Murakami

Alternative Temporalities Teresa Valentini,Angela Weiser,John Zilcosky,2024-11-30 Alternative temporalities have often emerged as a reaction to the normativizing force of time demonstrating that time can be used as an instrument of power and oppression but also as a means to resist this very oppression Alternative Temporalities draws on analyses of modern literature to examine this often neglected role of time By exploring forms of temporal resistance in artistic representation such as short stories and novels that challenge the imposition of colonial gender or capitalist temporal orders the book reveals how storytelling can be an essential tool in questioning and pushing back against coercive temporal structures The book analyses literary representations of time that challenge dominant temporalities and intersect different disciplines such as gender and sexuality studies trauma and Indigenous studies race and identity and religion It features narrative analyses proposing alternative embodied experiences of time focusing on topics including the temporality of the AIDS affected body the experience of time in prison and slowness in opposition to modern acceleration Ultimately Alternative Temporalities aims to create new theories as well as practices that may foster more diverse and inclusive ways of perceiving and embodying time

The Allure of Sports in Western Culture John Zilcosky,Marlo Alexandra Burks,2019-11-08 Sports are the most popular spectator events in the history of the world This volume demonstrates how sports shape societies and individuals The essays offer critical new insights and historical case studies from historians theorists literature scholars and athletes

Literature, Psychoanalysis and the New Sciences of Mind Leonard Jackson,2014-09-11 At a time when psychoanalysis is attacked by biologists psychologists and literary critics alike this book offers a radical defence Literature Psychoanalysis and the New Sciences of Mind gives a clear introduction to the theories of Freud and Jung the strange linguistic rewriting of Freud by Jacques Lacan It explores the extraordinary variety of ways in which these writings have been applied to literature and literary theory But for the first time they are put in the context of recent biological theories of mind and sexuality

The Uncanny Narrated Kateryna Kühn-Rudenko,2011 **Discourse in Psychoanalysis and Literature (Routledge Revivals)** Shlomith Rimmon-Kenan,2014-11-13 The essays in this collection first published in 1987 represent a collective attempt to listen with the third ear to the underhand ways the unspoken has of speaking and to speak of these ways By focusing on discourse the volume is distinguished from traditional literature by its emphasis on rhetorical structures and textual strategies and the investment of these structures with desire power and other aspects of subjectivity rather than the personality of the artist or the creative process However in this book the human dimension is not lost By claiming that the structures in question are not merely linguistic semiotic or narratological although they are all of these the human dimension is returned not in the raw as in traditional approaches but through the traces it leaves in the text as activated by its reading This book is ideal for students of literature and psychoanalytical theory James Joyce and the Problem of Psychoanalysis

Luke Thurston,2004-07-01 From its very beginning psychoanalysis sought to incorporate the aesthetic into its domain Despite Joyce s deliberate attempt in his writing to resist this powerful hermeneutic his work has been confronted by a long tradition of psychoanalytic readings Luke Thurston argues that this very antagonism holds the key to how psychoanalytic thinking can still open up new avenues in Joycean criticism and literary theory In particular Thurston shows that Jacques Lacan s response to Joyce goes beyond the application of theory rather than diagnosing Joyce s writing or claiming to have deciphered its riddles Lacan seeks to understand how it can entail an unreadable signature a unique act of social transgression that defies translation into discourse Thurston imaginatively builds on Lacan s work to illuminate Joyce s place in a wide ranging literary genealogy that includes Shakespeare Hogg Stevenson and Wilde This study should be essential reading for all students of Joyce literary theory and psychoanalysis A familiar compound ghost Sarah Annes

Brown,2017-06-01 A Familiar Compound Ghost explores the relationship between allusion and the uncanny in literature An unexpected echo or quotation in a new text can be compared to the sudden appearance of a ghost or mysterious double the reanimation of a corpse or the discovery of an ancient ruin hidden in a modern city In this scholarly and suggestive study Brown identifies moments where this affinity between allusion and the uncanny is used by writers to generate a particular textual charge where uncanny elements are used to flag patterns of allusion and to point to the haunting presence of an earlier work A Familiar Compound Ghost traces the subtle patterns of connection between texts centuries even millennia

apart from Greek tragedy and Latin epic through the plays of Shakespeare and the Victorian novel to contemporary film fiction and poetry Each chapter takes a different uncanny motif as its focus doubles ruins reanimation ghosts and journeys to the underworld **Uncanny!.** ,1988
