Under Siege in Kuwait Jadranka Porter, 1991 Stories of Democracy Mary Ann Tétreault, 2000 A sophisticated investigation of the shifting tides of democratic governance in modern Kuwait from 1921 to the present based on interviews both with political activists and members of the political elite Stories of Democracy sheds light on a wide array of issues concerning Middle Eastern politics and democratic institutions in general Mary Ann Tétreault explores how various political factions have sought to advance their own notions of Kuwaiti history and politics through distinctive popular appeals 1 pro democracy forces focusing on Kuwait's relationship to the universal values of the democratic world around them and 2 anti democrats proffering Arab and Muslim religious and cultural traditions She explores how such dramatic events as the suspension of the Kuwaiti constitution in 1986 and the invasion by Iraq in 1990 occasioned major shifts in the course of the democracy movement The current running through virtually all of the nation's political drama is the monolithic Kuwait Petroleum Corporation KPC used by the government as an instrument of economic strength to safeguard sovereignty in the absence of military might **The Kuwait Petroleum Corporation and the Economics of the New World Order** Mary Ann Tétreault, 1995-01-30 Economic and strategic power is not the exclusive province of powerful developed countries Kuwait has used its main resource oil to integrate itself into the world economy as an autonomous actor rather than as a dependent commodity exporter This daring economic strategy enabled Kuwait to claim military support from governments hosting its direct investments overseas in 1990-91 following its invasion by Iraq Based on five years of research including interviews with more than 200 people Dr Tétreault's book analyzes the development of the Kuwait Petroleum Corporation in the context of domestic regional and world politics Contrary to current thinking she argues that multinational vertical integration under state ownership can be an optimal strategy for oil exporting developing countries particularly those whose resource endowments are otherwise highly limited This book is directed toward executives in natural resource industries economic and strategic planners in public and private institutions and those charged with the formulation and implementation of national international and transnational economic policy in addition it is of interest to academics specializing in political economy development industrial organization regional and domestic politics and international relations **The Persian Gulf and Iraqi Wars** Lawrence J. Bahrain the Philippines and Kuwait Taken together the essays reveal the wide variety that exists among Muslim societies and believers and the complexity of the issues under consideration **Oil and Politics in the Gulf** Jill Crystal,1995-01-27 This book asks why in recent years the social and economic upheavals in Kuwait and Qatar have been accompanied by a remarkable political continuity *Women in Kuwait* Haya Mughni,2001 The enfranchisement of women presents a significant challenge to Kuwait's traditional system of politics and tribe This step in the democratization process is however more likely to strengthen rather than weaken state control over domestic politics Based on first hand research and an extensive analysis of gender and politics spanning three decades the author demonstrates how the relationship between women and the state has come to influence and shape Kuwaiti society and national politics This revised edition has been updated in light of the major political social and cultural changes that have resulted from the Iraqi invasion and the ensuing Gulf War Changes which have reshaped the course of the women's movement since 1990 It includes a new introduction as well as two new chapters on post war feminist activism the nature of the relationship between women and the state the role of gender in Islamism and cultural politics and women's role during the Iraqi occupation Index of Islamic Literature ,1992
