We Fight To Win We Fight To Win:

Covenant of Blood H.R. van Adel,2020-01-31 On Thayria the brutal Sarasinian League dominates Yet beneath its arrogant facade decades of corruption neglect and incompetence have left it weakened and vulnerable Even as its subject peoples yearn for freedom the League preoccupied with violent expansion shows astonishing complacency in the face of impending revolt Against a backdrop of relentless bloody battles a provincial governor chooses a path that could change the course of history A group of military cadets faces an increasingly dire future And a jaded research assistant sets out to recover an object of immense power and dreadful consequence In the centre of this gathering storm stands an improbably long lived and immensely powerful figure whose hatred of the League knows no bounds A tale of diverse peoples and places Covenant of Blood is set in a world where innocence is dead mercy is non existent and authority is wielded with an iron fist The Awakening of Leaders Ella T. Smothers,2018-11-10 The Awakening of Leaders is an inspirational guide journal encouraging youth and adults to embrace leadership with confidence while overcoming life s challenges Ella T Smothers shares her testimony of discovering her worth through God s word developing habits of leadership and elevating her community by giving back in the midst of her storms Elevate the power you hold to fight for love and positive transformation of your mind body and spirit This authentically motivating book is for every person wanting to take their lives on the next part of their journey **The Democratic Party** Douglas B. Harris,Lonce H. Bailey,2014-10-07 Through an examination of key historical documents this book chronicles the Democratic Party s complete transformation from the small government Jeffersonian party to a party of activist government and social progressivism during the presidencies of Franklin D Roosevelt Lyndon Johnson Bill Clinton and Barack Obama What are the objectives of today s Democratic Party and what historic events have guided its evolution from a decidedly different ideological starting point more than 200 years ago The Democratic Party Documents Decoded supplies a thorough historical examination of the Democratic Party from its distant origins in George Washington s administration to the two term administration of Barack Obama Told through key documents and speeches this history comes alive in the words and thoughts of those who built sustained and transformed the Democratic Party No other book uses documents in this way to tell a comprehensive history of this party The book utilizes primary documents to investigate a breadth of topics such as the Democratic party s positions on civil rights discrimination voting rights taxation representation immigration primary elections caucuses the Republican opposition relations between church and state the role of government and foreign policy The scholarly commentary provides essential context that bridges the gaps between documents and insightful explanations and clarifications of specific passages or terms to ensure reader comprehension A work unlike any other on the history of the Democratic Party this book will serve advanced high school students in government and history classes as well as undergraduate students taking courses in political science and history
