Essays on Ayn Rand's We the Living Robert Mayhew, 2012-01-01 Ayn Rand remains a truly significant figure of modern philosophy Her unique vision of a world in which man relying on reason acts wholly for his own good is skillfully developed and illustrated in her most famous novels *Atlas Shrugged* and *The Fountainhead* But Rand s first novel *We the Living* a lesser known but no less important book offers an early form of the author s nascent philosophy the philosophy Rand later called Objectivism In the second edition Robert Mayhew once again brings together pre eminent scholars of Rand s writing The edition includes three new chapters as well as an epilogue by renowned Rand scholar Leonard Peikoff In part a history of *We the Living* from its earliest drafts to the Italian film later based upon it Mayhew s collection goes on to explore the enduring significance of Rand s first novel as a work both of philosophy and of literature For Ayn Rand scholars and fans alike this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential

philosophical literature to follow *For the New Intellectual* Ayn Rand, 1963-12-01 Here is Ayn Rand s first non fiction work a challenge to the prevalent philosophical doctrines of our time and the atmosphere of guilt of panic of despair of boredom and of all pervasive evasion that they create As incisive and relevant today as it was sixty years ago this book presents the essentials of Ayn Rand s philosophy for those who wish to acquire an integrated view of existence In the title essay she offers an analysis of Western culture discusses the causes of its progress its decline its present bankruptcy and points the road to an intellectual renaissance One of the most controversial figures on the intellectual scene Ayn Rand was the proponent of a moral philosophy and ethic of rational self interest that stands in sharp opposition to the ethics of altruism and self sacrifice The fundamentals of this morality a philosophy for living on Earth are here vibrantly set forth by the spokesman for a new class *For the New Intellectual* *Eclectic Magazine, and Monthly Edition of the Living Age* John Holmes Agnew, Walter

Wilson,2008-11-15 Polio was the most dreaded childhood disease of twentieth century America Every summer during the 1940s and 1950s parents were terrorized by the thought that polio might cripple their children They warned their children not to drink from public fountains to avoid swimming pools and to stay away from movie theaters and other crowded places Whenever and wherever polio struck hospitals filled with victims of the virus Many experienced only temporary paralysis but others faced a lifetime of disability Living with Polio is the first book to focus primarily on the personal stories of the men and women who had acute polio and lived with its crippling consequences Writing from personal experience polio survivor Daniel J Wilson shapes this impassioned book with the testimonials of more than one hundred polio victims focusing on the years between 1930 and 1960 He traces the entire life experience of the survivors from the alarming diagnosis all the way to the recent development of post polio syndrome a condition in which the symptoms of the disease may return two or three decades after they originally surfaced Living with Polio follows every physical and emotional stage of the disease the loneliness of long separations from family and friends suffered by hospitalized victims the rehabilitation facilities where survivors spent a full year or more painfully trying to regain the use of their paralyzed muscles and then the return home where they were faced with readjusting to school or work with the aid of braces crutches or wheelchairs while their families faced the difficult responsibilities of caring for and supporting a child or spouse with a disability Poignant and gripping Living with Polio is a compelling history of the enduring physical and psychological experience of polio straight from the rarely heard voices of its survivors Cosmopolitan Magazine ,1908 *The Schoolmaster, and Edinburgh Weekly Magazine* ,1832
