Natural Born Shamans - A Spiritual Toolkit for Life Imelda Almqvist, 2016-08-26 *Natural Born Shamans A Spiritual Toolkit for Life* covers all aspects of performing spiritual or shamanic work with children and young people It is aimed at anyone who has an interest in young people and their spiritual journey and covers all age groups from in utero until age 18 The book

explains what shamanic parenting is and describes ways of doing spirit led work even with both unborn babies and spirit children after miscarriage abortion or early death It also provides 30 tried and tested session plans for people looking for inspiration and where to start *The Psi Connection: A Personal Voyage of Discovery* David L. Brown,2024-06-01 A few years ago the author of *The Psi Connection* had a disturbing experience while experimenting with self hypnosis He saw a vision of a past life in which it appeared he had lived as a farmer in the 1800s He tried twice more and each time had a similar vision that seemed to be from the same time and place Frightened by the implications he strongly rejected the possibility that these experiences were real As a journalist with a scientific background he could not accept the reality of this bizarre phenomenon and explained it to himself as having come from his unconscious mind similar to dreams But he still had doubts Finally when he began to talk about the subject he learned that others also had experienced visions of past lives Launched on a voyage of discovery he began to realize that many events in his life could not be explained by science or common sense but only through the manifestation of paranormal powers He continued to interview others who shared their experiences in such things as telepathy psychokinesis distance viewing precognition near death experiences and other uncanny events He began to research the subject and learned that there is a large body of evidence to support the reality of paranormal powers And strikingly he began to see other manifestations of his own mental powers He became aware of the possibility that there are quantum connections between human minds and the universe itself This is his story *The Re-Enchantment* Hank Wesselman, Ph.D.,2016-12-01 An Invitation to Awaken to a Reality of Wonder and Infinite Possibility In a time when our scientific understanding of the universe has never been greater why do so many people feel unhappy and alienated As Dr Hank Wesselman explains our search for objective knowledge has come at the cost of a deeper intuitive rapport with nature and our spiritual selves The result is a profound disenchantment one that affects us individually and collectively What we need now is a re enchantment a way to renew our relationship with nature reawaken to spiritual reality and reclaim the sense of connection and hope that gives meaning to our lives The Re Enchantment offers a compelling blueprint for the emerging transformational spirituality not a return to the superstition and ignorance of old beliefs but a modern upgrade of the path of the shaman that reconnects us to our inner sources of intuition power and healing Here he explores Challenging the cultural mythos why a new story is arising about who we are and where we fit in to the greater whole The role of the shaman as a mediator between the material and spiritual worlds Guides helping spirits oversouls and masters of deception unseen spiritual forces that influence our lives Empowering ourselves to be agents of change through the shamanic path of direct revelation There is new spiritual complex coming into being in our world writes Dr Wesselman This mystical mosaic draws from many traditions and many cultures and has the potential to refresh and perhaps replace our current mainstream religions with new perceptions and new insights With *The Re Enchantment* this leading teacher presents a provocative call to action to engage the world with a newborn s eyes a shaman s heart and soul dedicated to a wiser more

compassionate future **Awaken the Inner Shaman** José Luis Stevens, Ph.D.,2014-03-01 Within you is a greater wiser self that is not bound by your fears worries or perceived limitations Dr Jos Luis Stevens calls this the Inner Shaman the part of you that connects directly to the true source of the universe The shamans of every tradition know that the physical world we can see and touch is a mere shadow of the true spirit world writes Dr Stevens With *Awaken the Inner Shaman* he presents a direct and practical guide for opening our eyes to the greater wisdom and knowing within and stepping into the power and responsibility we possess to shape and serve our world In this rousing and provocative book he invites readers to discover What is the Inner Shaman How an understanding of our deeper spiritual potential shows up in every mystical and scientific tradition Seeing through the heart why the heart offers us the most immediate path for accessing the Inner Shaman Illuminating the Inner Shaman through spirituality quantum physics medical science and experiential knowing The Inner Shaman in action how to stop living from the egoic mind and put your true essence in charge Eight tools to strengthen your connection to the Inner Shaman and much more Humanity has become enthralled by the Siren s song of technological progress which has lured us away from the spiritual source that truly sustains us In *Awaken the Inner Shaman* Dr Jos Stevens challenges us to reclaim our lost power to heal see truly and fulfill our purpose in life As Dr Stevens writes The Inner Shaman suppressed and ignored for centuries can be discovered in the most obvious place possible within your own heart [A Spirit Walker's Guide to Shamanic Tools](#) Evelyn C.
