Spence Sr., 2020-02-21. Praise for *Sincerely Speaking Spiritually*. These are the great words of a true ambassador for literature around the world who has accepted the Word as his mission. Inspiring verses that deserve the highest praise that have received international awards. Poetry with biblical sounding and fantastic flight of the thoughts inspired from the highest places dictated as if by God. Amen. Stoianka Boianova and Minko Tanev, internationally acclaimed poets, Sofia, Bulgaria. Another poetry collection from one of the most passionate poets of all times. Joseph Spence Sr. is indeed brilliant in his navigation of spiritual poetry themes in biblical forms in an intricate way that stands as a signature for his readers. This is indeed a must read. Balogun Iyanu, founder of the League of Poets and executive head of Teens Got Poetry, Lagos, Nigeria. Joseph Spence's new book *Sincerely Speaking Spiritually* is a revelation. His unique style of poetry writing using *pin sonnets* and *septolets* gives his poetic prayers resonance and depth. His unique navigation of spiritual poetry themes in biblical form are a modern day book of Psalms in which he gives praise to our Creator for His blessings while at the same time laying at His feet our needs, desires, and concerns for a troubled world and nation that only He can restore. I highly recommend this book of poetry. It should be included with daily meditation, scripture reading, and prayer. Thomas E. Mitchell Jr., journalist and editor of the Milwaukee Community Journal, Milwaukee's largest African American newspaper. **Talisman, Second Edition** Thomas G. Bandy, 2017-09-28. Mentoring is the primary vehicle for spiritual insight and holistic growth today, and *Talisman* is written from the perspective of a mentee reflecting on the teachings of his/her mentor. It ends with the mentee becoming the mentor. This is why the second edition of this book is shorter with the second section significantly revised. Originally, the second section took the reader back in time to follow some of the dialogue. Echo remembered. Most readers, however, were intrigued by Echo and wanted to go forward in time. They intuited correctly that the voice of Echo was a composite of real people. What happened to Echo? So the first section of this book remains an assessment of the spiritual quest for God in the postmodern world. It explores the significance of incarnation but in the context of the power and depth of being rather than any dogmatic point of view, experience, and mystery over knowledge and certainty. The goal is not to answer questions of existence but to sustain the courage to be and provide reason to hope. The second section of the book introduces a methodology to reflect on one's position vis-à-vis the eternal in any particular now. Echo not only continues to grow personally but helps other spiritual travelers understand their own quest for God. *Life on the Edge*, *Life in Between*, and *Life at Peace*. Meditation on the principles expressed through the talisman helps the spiritual traveler see where they have been and discern where they are going. A talisman can be any form, object, song, data, etc. that is grasped by Unconditional Being to become a portal linking finite yearning to infinite meaning. Here the talisman is a six-pointed star which has mystical significance for many religions. But whatever your talisman is, it will help you experience the nearness of God in your unique cultural context and find hope.
