Through Shattered Glass David B. Silva, 2001 **Through Shattered Glass** Ophelia Robinson, 2022-09-30 This book of poems is my reflection of raw emotions from growing up and encountering many abusive relationships I have faced many hard times and situations which is where writing came in Writing was my way of escaping reality and allowing space for my emotions I was not allowed to talk to anyone about feelings growing up so this was my only outlet I grew through my pain and I m only hoping that I can help someone do the same *THROUGH A SHATTERED GLASS*. David, 2012-12-24 Eighteen years ago the prehistoric past collided with the present as time itself underwent a tremendous disruption transporting huge swaths of the Cretaceous period into the twentieth century Neighborhoods towns and cities

were replaced by dense primeval jungles and modern humanity suddenly found itself sharing the world with fierce dinosaurs. In the end, desperate measures were taken to halt the disruptions, and the crisis appeared to be over. Until now. New dinosaurs begin to appear rampaging through cities. A secret mission to the Moon discovers a living Tyrannosaurus Rex trapped in an alternate timeline. As time begins to unravel, once more Nick Paulson, director of the Office of Security Science, finds a time passage to the Cretaceous period where humans ripped from the comforts of the twenty-first century are barely surviving in the past. Led by a cultlike religious leader, these survivors are at war with another sentient species descended from dinosaurs. As the asteroid that ends the reign of dinosaurs rushes toward Earth, Nick and his allies must survive a war between species and save the future as we know it. *Dinosaur Thunder* is a terrifying futuristic thriller in the tradition of Michael Crichton and Douglas Preston.

Nights of the Living Dead Jonathan Maberry, George A. Romero, 2017-07-11. In 1968, the world experienced a brand new kind of terror with the debut of George A. Romero's landmark movie *Night of the Living Dead*. The newly dead rose to attack the living. Not as vampires or werewolves. This was something new and terrifying. Since then, zombies have invaded every aspect of popular culture. But it all started on that dreadful night in a remote farmhouse. *Nights of the Living Dead* returns to that night, to the outbreak, to where it all began. New York Times bestselling author Jonathan Maberry teams with the godfather of the living dead himself, George A. Romero, to present a collection of all new tales set during the forty-eight hours of that legendary outbreak. *Nights of the Living Dead* includes stories by some of today's most important writers: Brian Keene, Carrie Ryan, Chuck Wendig, Craig E. Engler, David J. Schow, David Wellington, Isaac Marion, Jay Bonansinga, Joe R. Lansdale, John A. Russo, John Skipp, Keith R. A. DeCandido, Max Brallier, Mike Carey, Mira Grant, Neal and Brenda Shusterman, and Ryan Brown. Plus original stories by Romero and Maberry. For anyone who loves scary stories, take a bite out of this.

I Want to Trust You, but I Don't Lysa TerKeurst, 2024-10-08. New York Times bestselling author Lysa TerKeurst shows you what to do with your skepticism and distrust so you can heal from past betrayals and move forward with strength and resilience. Trust is the oxygen of all human relationships. But it's also what trips you up after you've been burned. Maybe a friend constantly lets you down. A leader or organization you respect turns out to be different than they portray themselves to be. A spouse cheats on you. A family member betrays you. You're exhausted by other people's choices and starting to question your own discernment. And you're wondering: If God let this happen, can he even be trusted? How can you live well and step into the future when you keep stumbling over trust issues? Lysa TerKeurst says it's not simply about finding better people to walk with. It's about developing the stability you long for within yourself and with God so you don't become cynical and carry a broken belief system into every new relationship. In *I Want to Trust You, But I Don't*, Lysa shows you how to identify which of the eleven relational red flags are stirring up distrust so you can pinpoint why you're feeling uneasy, stop having more faith in your fears coming true than God coming through for you by asking crucial "what if" questions to better process your doubts, recognize when a fractured relationship can be repaired by considering a reasonable list of

characteristics necessary for rebuilding trust and understand the physical emotional and neurological impact of the betrayals you've experienced and start healing from the inside out In a world where so many things feel alarming this book will give you a peace that isn't dependent on unpredictable people circumstances and experiences Instead it offers practical and biblical ways to make real progress toward healthier perspectives relationships and a future you can authentically look forward to
