the church and the nation of Israel **Christ the Judge of the Seven Churches** David Moldenhauer,2025-09-04 Writers have analyzed the letters to the seven churches in Revelation chapters 2 and 3 from various perspectives resonant or not allegorical or literal A widely taught historical view holds that the seven churches represent the overall history of the church age from Pentecost to the present But a practical perspective recognizes that any of the seven churches in Revelation can represent any particular local gathering at any time in the church age This study Christ the Judge of the Seven Churches of Revelation provides down to earth explanations of Christ s messages to the seven churches of Asia Minor It takes a literal conservative approach but not necessarily a traditional one This examination intertwines relevant passages of Scripture with the messages to the churches Highlighted with numerous practical applications it should serve as a valuable resource for anyone desiring to gain a better and fresh understanding of the first three chapters of Revelation **Getting the Monkey Off Your Back** J. Which Church Are You? Dr. Darrow Perkins Jr. Th.D.,2017-02-14 Church today is nothing like it was when I was growing up in Baton Rouge and New Orleans Louisiana during the 70s and 80s and I understand that as times change things change One of the biggest changes that the church has gone through is the lack of commitment to its given mandate and ministries There are so many distractions today that people tend to work God into their personal schedules instead of working their schedules around God and His ministry This book addresses the challenges and issues of the seven churches of Asia Minor in Revelation Chapters 2 and 3 and speaks how we can strive to be the church that Jesus is coming back to receive unto Himself
