Greek Letter Exposed Rayford L. Johnson, 2024-02-26 Ever wondered why secret societies are secret Why is it that an overwhelming majority of elite leaders in America including those who've occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon Why is death the penalty for breaking a secret society oath Why do they pay homage to pagan gods and goddesses Why do many self-proclaimed Christians belong to these secret societies when their practices blatantly violate God's Commandments such as Exodus 20:3 which states Thou shalt have no other gods before me And why don't their pastors say anything about it Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don't know about Could today's network of these secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible These questions and more will be answered by author and Evangelist Rayford L. Johnson who has spent more than 20 years researching writing and teaching on the occult Johnson has counseled and ministered demon deliverance prayers on many former members of the occult Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them
