several major news stories Pontiff includes a day to day account of the assassination attempt by Mehmet Ali Agca upon John Paul II Agca s history and family his right wing political connections his activities and jailing in Turkey his escape from jail aided by the KGB his movements through terrorist training camps in Libya and Syria and a complete investigation of the Bulgarian connection that led to the shooting in St Peter s Square Here also is the story of John Paul II s involvement with the creation of Solidarity in Poland and his almost daily secret contacts with Lech Walesa as well as the unprecedented letter to Brezhev threatening his resignation from the papal throne In addition owing to the authors intricate web of connections at the Vatican including many cardinals the book contains previously unknown information about the man entrusted with the Church s money Paul Marcinkus and his relationship with the shadowy Michele Sindona Pontiff is a fascinating revelation of a world previously unknown to us and an intimate view of a few men in Rome trying to lead an increasingly unwilling world to their own vision of salvation
