Zoroastrianism usually known in English as Zoroaster Avestan Zarathustra Nietzsche is clearly portraying a new or different Zarathustra one who turns traditional morality on its head Zarathustra has a simple characterization and plot narrated sporadically throughout the text It possesses a unique experimental style one that is for instance evident in newly invented dithyrambs narrated or sung by Zarathustra Likewise the separate Dithyrambs of Dionysus was written in autumn 1888 and printed with the full volume in 1892 as the corollaries of Zarathustra's abundance Some speculate that Nietzsche intended to write about final acts of creation and destruction brought about by Zarathustra However the book lacks a finale to match that description its actual ending focuses more on Zarathustra recognizing that his legacy is beginning to perpetuate and consequently choosing to leave the higher men to their own devices in carrying his legacy forth **Thus Spoke**

Zarathustra Friedrich Nietzsche, 2018-03-07 Here you have it My greatest gift to humanity my final attempt to drag the sheep away from their shepherd Written in modern English utterly faithful explicit and straight forward as originally written by Friedrich Nietzsche Thus Spoke Zarathustra A Book For All And None is Nietzsche's greatest only independent most famous work Written in the most solitary periods of his later life It grew to become perhaps the single most influential work of philosophy ever written It is the very pinnacle of Nietzsche's teachings his investigation of everything to its very foundation and beyond his way of life as he genuinely lived it out himself his criticism of issues that do not lose relevancy with time his predictions of the evolution of Superman Zarathustra escapes the life among people and lives in solitude in the mountains Here he takes upon himself the task of learning what is to become his teachings After many years of solitude at last he tires of it and descends to the people to tell them his now fully developed teachings His journey among people teaches him yet more the first thing is that no one wants to hear the harsh realities of life the necessary criticism the potentially dark future He then learns that he must be a teacher that drags the sheep away from their shepherd and also give a helping direction for the contemporary shepherds **Thus Spoke Zarathustra** Friedrich Wilhelm Nietzsche, 1972 *Thus Spoke*
