Tight Fists Or Open Hands Wealth And Poverty In Old Testament Law:

Tight Fists Or Open Hands? D. L. Baker, 2009-07-14 Any Christian response to today's ever growing problem of poverty around the globe must be firmly rooted in the teaching of the Bible While books on various aspects of wealth and poverty in the Old and New Testaments have been published so far there has been no thorough study of Old Testament law on the topic David Baker argues here that an understanding of that law is not only fundamental for interpreting the entire Old Testament but is also assumed by the writers of the New Testament *Tight Fists or Open Hands* fills this gap in Old Testament scholarship and lays a foundation for considering the relevance of these laws to everyday life in the twenty first century The heart of this book is a study of all the Old Testament concerned with wealth and poverty Baker groups these laws together by topic considering the similarities and differences between the Decalogue Book of the Covenant Holiness Code and Deuteronomic Laws He places these in the wider context of ancient Near Eastern law in order to make clear which attitudes are distinctively biblical Each section of *Tight Fists or Open Hands* includes an extended conclusion that summarizes the main ideas considers relationships with other biblical texts and points to the significance of the laws for today's world Baker's combination of thorough exegesis and modern application makes this book relevant to pastors scholars and students in a variety of courses

Is God a Moral Monster? Paul Copan, 2011-01-01 A recent string of popular level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully a murderer and a cosmic child abuser This viewpoint is even making inroads into the church How are Christians to respond to such accusations And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments In this timely and readable book apologist Paul Copan takes on some of the most vexing accusations of our time including God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics he also shows how to read both the Old and New Testaments faithfully seeing an unchanging righteous and loving God in both

Failure and Prospect Reuben Bredenhof, 2018-12-27 Bredenhof analyses the parable of Lazarus and the Rich Man Luke 16 19 31 by examining its functions as a narrative considering its persuasiveness as a rhetorical unit and situating it within a Graeco Roman and Jewish intertextual conversation on the themes of wealth and poverty and authoritative revelation The parable portrays the consequences of the rich man's failure to respond to the suffering of Lazarus Bredenhof argues that the parable offers its audience a prospect for alternative outcomes in response both to poverty and to a person who has risen from the dead This prospect is particularly evident when the parable is read in anticipation of the ethical and theological concerns of Luke's second volume in Acts Bredenhof asserts that reading within the context of Luke Acts contributes to the understanding of Luke's purposes with this narrative It is in Acts that his audience witnesses the parable's message about mercy being applied through charitable initiatives in the community of believers while the Acts accounts of preaching and teaching demonstrate

that a true reading of Moses and the prophets is inseparably joined to the believing acceptance of one risen from the dead Through a re reading of Luke 16 19 31 in its Luke Acts context its message is amplified and commended to the parable s audience for their response *The Pentateuch* Walter Houston,2013-09-30 This book introduces students with a little background in biblical studies to the scholarly study of the Pentateuch Genesis to Deuteronomy Existing introductions to the Pentateuch are either mainly concerned with historical criticism or taken up with a survey of the contents of the five books or both This book is distinctive in that every chapter is concerned with the whole Pentateuch and in that it approaches the subject from three completely different points of view following the way in which biblical scholarship has developed over the past 30 years The first part attempts to understand the text as it stands as narrative law and covenant The second surveys the work that has been done on the history and development of the text and its historicity The third is concerned with its reception and interpretation There are many detailed examples throughout and aids to study include tables and boxes in the text questions to enable students to come to grips with the issues either in private study or in class and detailed guides to further reading *Reparations and the Theological Disciplines* Michael Barram,Drew G. I. Hart,Gimbiya Kettering,Michael J. Rhodes,2023-10-10 Historically many churches and theologians defended and supported race based slavery and subsequent forms of racial hierarchy and violence The essays in *Reparations and the Theological Disciplines* argue that it is urgent that the theological disciplines engage the issue of reparations by revisiting Scripture and our theological traditions The time is now for remembrance reckoning and repair **Judges and Ruth (Teach the Text Commentary Series)** Kenneth C. Way,2016-09-20 Focused Biblical Scholarship to Teach the Text The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest Old Testament release in this innovative commentary series is Kenneth C Way s treatment of Judges and Ruth *Human Trafficking, The Bible and the Church* Marion Carson,2017-06-12 In this book Marion Carson brings us a profound interdisciplinary account of how Christians have engaged with slavery in the past and how they might respond in the future *Jubilee in the Bible* Lidija Gunjević,2017-10-02 The biblical message of Jubilee is becoming more credible in our days in dealing with the socio economic and moral spiritual issues of today s world It continues to exercise a powerful influence on the religious thoughts and actions of God s people In addition to that this book reveals a new hermeneutical code of reading and interpreting the message of Jubilee The synthesis of the exegetical analysis of the biblical texts regarding the Jubilee and Sabbath Sabbath year and Moltmann s understanding of this subject reveals the meaning and significance of the topic how it is recognized as well as its implications in today s world This synthesis reveals a new vision and starting point for socio economic and moral spiritual reform in our time The biblical

Sabbat Jubilee traditions are much richer than we thought This book shows it Theologically often neglected they are a source of new ideas to solve problems of human community and the ecology of the earth That my theological works can be used to apply them today is a surprise to me a happy surprise J rgen Moltmann Is God a Vindictive Bully? Paul Copan,2022-10-18 Critics outside the church often accuse the Old Testament God of genocide racism ethnic cleansing and violence But a rising tide of critics within the church claim that Moses and other primitive violence prone prophets were mistaken about God s commands and character Both sets of critics dismiss this allegedly harsh flawed textual Old Testament God in favor of the kind compassionate actual God revealed by Jesus Are they right to do so Following his popular book Is God a Moral Monster noted apologist Paul Copan confronts false imbalanced teaching that is confusing and misleading many Christians Copan takes on some of the most difficult Old Testament challenges and places them in their larger historical and theological contexts He explores the kindness patience and compassion of God in the Old Testament and shows how Jesus in the New Testament reveals not only divine kindness but also divine severity The book includes a detailed Scripture index of difficult and controversial passages and is helpful for anyone interested in understanding the flaws in these emerging claims that are creating a destructive gap between the Testaments **The Path to Salvation in Luke's Gospel** MiJa Wi,2019-05-23 This book investigates Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s conclusion challenges its readers by asking the question along with Luke s audience What must we do **Justice for the Poor?** Walter J. Houston,2020-03-09 Can the Old Testament help us in keeping the excesses of capitalism in check How can a book that goes on about justice and righteousness but says there will always be poor people in the land and accepts slavery have anything to say to us about social justice Did kings of Israel draft their subjects and which subjects for forced labor What does it mean when the Psalms say God is coming to judge the world Is charity justice or is justice more than charity Does Genesis give us the right to use the earth and its creatures as we like These are some of the questions that Walter Houston asks and tries to answer in this book of essays from his work over the last twenty five years **The Ethical Vision of the Bible** Peter W. Gosnell,2014-04-01 This introduction to the world of biblical ethics walks readers through the ethical teachings of key people and texts within the Bible Instead of focusing on what the Bible says about various ethical issues it emphasizes how the

different parts of the Bible encourage its readers to think ethically about every issue *James Chris A. Vlachos, 2013-01-01*

The Exegetical Guide to the Greek New Testament James is the second book in a projected series of twenty volumes that seeks to bring together classroom study and pulpit by providing the student or pastor with information that is helpful to understand and expound the Greek text of the New Testament Author Chris Vlachos aims to close the gap between grammatical analysis and exegesis leading readers into an in depth understanding of the New Testament Greek text by guiding them through an exegetical process that flows into sermon construction Each volume provides the following for the biblical book or books on which it is written Brief introduction on authorship date occasion and purpose List of recommended commentaries Extensive exegetical notes Comprehensive exegetical outline **God Behaving Badly** David T. Lamb, 2022-01-04 God has a bad reputation Many think of God as wrathful and angry smiting people for no apparent reason But the story is more complicated than that Without minimizing the sometimes harsh realities of the biblical record David Lamb unpacks the complexity of the Old Testament and assembles an overall picture that gives coherence to our understanding of God in both Old and New Testaments **The Oxford Handbook of Christianity and Economics** Paul Oslington, 2014-01-31 Many important contemporary debates cross economics and religion in turn raising questions about the relationship between the two fields This book edited by a leader in the new interdisciplinary field of economics and religion and with contributions by experts on different aspects of the relationship between economics and Christianity maps the current state of scholarship and points to new directions for the field It covers the history of the relationship between economics and Christianity economic thinking in the main Christian traditions and the role of religion in economic development as well as new work on the economics of religious behavior and religious markets and topics of debate between economists and theologians It is essential reading for economists concerned with the foundations of their discipline historians moral philosophers theologians seeking to engage with economics and public policy researchers and practitioners

The Legislative Themes of Centralization Jeffrey G. Audirsch, 2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomistic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period **Understanding Biblical Law** Dru Johnson, 2025-10-21 We tend to be perplexed by the psalmists who express delight in God's laws We see biblical law as a long list of rules with harsh punishments and the more we read the

biblical law within modern legal frameworks the stranger it appears We are too estranged from its world aims and concerns to see its beauty and wisdom In *Understanding Biblical Law* Dru Johnson reorients the reader to see biblical law through ancient Israelite eyes He deconstructs common myths regarding biblical law and shows how it often differs significantly from both modern law and ancient Near Eastern law Johnson weaves in an ancient murder mystery between chapters to show how ancient Israelites could have reasoned with and through Torah to solve real life problems He then demonstrates how we can do the same by discerning biblical law's literary and historical contexts appreciating its sophisticated wisdom and distinguishing it from our modern legal notions This book is engaging and accessible for undergrads and laypeople but robust enough for seminarians Johnson demonstrates a skill based approach for interpreting Old Testament law and uses examples to encourage readers to practice these skills for themselves When we enter the biblical world we see with the psalmists the beauty and sophistication of Israel's laws and discover a rich resource for thinking about the law's theological implications for Hellenistic Judaism the New Testament and readers today *The Bible and Social Justice* Cynthia Long Westfall, Bryan R. Dyer, 2016-03-10 Although the cry for justice in human society is an important theme in the Bible in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today *Exodus* Paul Williamson, 2025-11-04 Explore the Themes of God's Deliverance and Covenant Dive into one of the foundational texts of the Old Testament with Exodus part of the Tyndale Old Testament Commentaries series Paul Williamson offers a careful and clear treatment of this foundational text with its overarching focus on the relationship between the Lord and Israel Abraham's offspring and heirs to God's promises Exodus is especially important to Christians because in the New Testament Christ fulfilled its great themes he accomplished God's greatest act of deliverance became the Passover lamb and sealed a new covenant with his blood This commentary shows how the story and theology of Exodus continue to speak of God's faithfulness to his people today This volume is ideal for the preacher minister Bible teacher or anyone serious about studying the Bible who is eager to enhance his or her understanding of Exodus Deepen your study and grow in your faith as you uncover the rich themes of God's deliverance and covenant with His people About the Series Tyndale Old Testament Commentaries are designed to help readers of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties In the new Old Testament volumes like this one the commentary on each section of the text is structured under three headings Context Comment and Meaning with the

goal of explaining the true meaning of the Bible and making its message plain **The Dynamics of Human Life in the Bible** Martin J. Buss, 2022-04-06 In *The Dynamics of Human Life in the Bible* Receptivity and Power Martin J Buss describes the dynamics of human life that are encouraged in the Bible and how biblical guidance compares with other religious traditions The dynamics include both receptivity from another and power for or over another often in combination with another For example love joins receptive cognition of worth with energetic support Receptivity the only way to deal with fundamental values seeks material and religious benefits and is the human side of revelation and salvation Public acknowledgement strengthens divine influence Furthermore receptivity accepts challenges These include individual and social growth and semi identification with others which has societal rather than concrete individual consequences Power is crucial in legal remedies and penalties Life with others is important in practical wisdom and in Christian mutual love Buss finds that biblical directives parallel those of non Christian religious traditions This situation is in line with biblical views of general revelation and developments in history

Whispering the Secrets of Language: An Psychological Journey through **Tight Fists Or Open Hands Wealth And Poverty In Old Testament Law**

In a digitally-driven world where displays reign supreme and instant transmission drowns out the subtleties of language, the profound strategies and psychological nuances hidden within words often get unheard. Yet, situated within the pages of **Tight Fists Or Open Hands Wealth And Poverty In Old Testament Law** a interesting literary prize pulsing with organic emotions, lies an exceptional journey waiting to be undertaken.
