Time On The Cross A Fathers Tribute:

A Tribute of filial sympathy to the memory of a beloved father; or, memories of ... John Morison of Millseat, Aberdeenshire: ... to which are added, the funeral sermons preached on occasion of his death by his two sons [John and Joseph]. Edited by John Morison, etc John MORISON (D.D., LL.D.),1833 One Mile at a Time John Arnold,2017-01-30 In the beginning my family started in the air force As the time went by we journeyed out across the United States as the family grew and we made a home in Kentucky Dad started driving a truck and mom went to work for the government Us kids grew up and went our own ways One will stay home up to the end First dad passes away at work due to an accident and years later we lost mom to cancer As the days go by and we get older we are left with just the memories of the love and the life and the time we all love **Lady Father** Susan Bowman,2011-05 Lady Father is a narrative account of my journey through the

ordination process in the Episcopal Diocese of Southern Virginia of the 1980 s and the subsequent years of ordained ministry As the first female admitted to the ordination process by the Rt Rev C Charles Vach 7th Bishop of Southern Virginia who was then a strong and vocal opponent of the ordination of women I was a reluctant pioneer Dubbed the Lady Father I have served the church for 25 years and I am now offering my experiences and the insights I learned from them to others who feel a similar call and who may find themselves on a similar journey against the flow Lady Father is filled with anecdotes that will ring true with many clergy bring hope to those aspiring to ordination and shed light on the continuing debate in the Church over who should be ordained The Process described in the book is a journey most clergy have traveled but my story is a unique blend of the obstacles denials and rejections I faced and overcame along with the uplifting moments and spiritual growth that came out of the struggle It is truthful and so at times it is painful it is often light hearted even humorous it is moving as it deals with real people real events and real emotions and most of all it is mine my story my journey my life
