Paul McCartney James Kaplan,2012 **Paul McCartney** James Kaplan,2012 Profiles the legendary songwriter and performer in words and pictures **The Beatles: Having Read the Book** Greg Sterlace,2015-07-26 The cottage industry of Beatles publications is more prolific now than it ever was As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music their love lives their personalities and their finances I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere I spent 40 years reading about them knowing that one day I would share my accumulated knowledge with the fans in Pepperland Having read the book I d love to turn you on *Legends of Rock Guitar* Pete Prown,Harvey P. Newquist,1997 Presents a comprehensive encyclopedia of rock guitar legends examining over three hundred artists beginning in the 1950s and covering a wide range of styles and includes performers such as Chuck Berry Eric Clapton Duane Eddy Buddy Holly Keith Richards and more The Beatles and the Historians Erin Torkelson Weber,2016-04-28 Hundreds of books have been written about The Beatles Over the last half century their story has been mythologized and de mythologized and presented by biographers and journalists as history Yet many of these works do not strictly qualify as history and the story of how the Beatles mythology continues to be told has been largely ignored This book examines the band s historiography exploring the four major narratives that have developed over time The semi whitewashed Fab Four account the acrimonious breakup era Lennon Remembers version the biased Shout narrative in the wake of John Lennon s murder and the current Mark Lewisohn orthodoxy Drawing on the most influential primary and secondary sources Beatles history is analyzed using historical methods *Paul McCartney* Tony Barrow,Robin Bextor,2004 In this book Paul McCartney the most prolific member of the Beatles founder of Wings and enduring solo artist speaks in his own words of his private life his life as a singer musician composer and businessman of how the greatest band in the world came to be and how and why they broke up Paul McCartney Now and Then is the inside story from the man himself Includes commentary from Sir George Martin Steve Miller Pete Best Brian Wilson Peter Asher and others Complemented throughout by rare many previously unseen photos shot over a career spanning more than four decades Robin Bextor is a well known documentary film maker and writer who has formed a close relationship with Paul McCartney over the years Tony Barrow who coined the phrase Fab Four was head of the Beatles Press Office from 1962 1968 **Interpreting Music, Engaging Culture** Katherine Walker,2024-11-29 Interpreting Music Engaging Culture An Introduction to Music Criticism offers a clear hands on guide for emerging music critics that brings together aesthetics critical theory and practical music criticism in an accessible format Over the course of the book readers develop a vocabulary and framework for criticizing music of all kinds and for various media while learning how to connect music to its cultural social and political contexts Excerpts from primary sources throughout provide a wide range of writing examples while Chapters address the distinct challenges of describing

and interpreting music for various media and in diverse formats Along the way the book explores questions at the core of music and its criticism such as what constitutes a musical work and what makes a piece of music authentic it also introduces critical lenses including feminist and queer criticism postcolonialism and critical race theory as well as the analysis of music in consumer culture Addressing both classical and popular music criticism *Interpreting Music Engaging Culture* is a comprehensive and lively textbook that enables students to uncover articulate and analyze what makes music compelling and meaningful
