## Twelve Dancing Unicorns:

Twelve Dancing Unicorns Alissa Heyman, 2014 The king's beloved unicorns are hiding a secret and a little girl is determined to solve the mystery      Twelve Dancing Princesses , 1974-03-22 Alfred David and Mary Elizabeth Meek have compiled a collection of fairy tales that ranges from the Grimm brothers' inimitable recreations of archetypal folktales to the modern prose charm of James Thurber's *Many Moons*. The appeal of the stories is wide and varied: the refined intelligence of Perrault, the wondrous imagination of Andersen, the descriptive power of Ruskin, the bittersweet melancholy of Wilde. These are but a few of the artists represented in this remarkably inclusive selection of works from Germany, Russia, France, Scandinavia, England, and America. Many are in new translations in the modern idiom and all testify eloquently to the unceasing vitality of this literary genre      **Magical Unicorns Oracle Cards Guidebook** Doreen Virtue, 2005      *Illinois Reading Council Journal* , 2014      *StoryCraft* Martha Seif Simpson, Lynne Perrigo, 2015-11-17 While storytelling is a great favorite of preschoolers, many elementary age children are more drawn to crafts and other activities. *StoryCraft* is an award-winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades. Each one-hour program includes storytelling, a craft, movement activities, music, and discussion. This collection of *StoryCraft* programs presents 50 fun and educational theme-based sessions. Each includes suggestions for promotion, music, crafts, activities, and stories. The sessions also include bibliographies to help direct young readers toward additional reading, as well as diagrams, detailed instructions, and supply lists for the crafts. The themes range from a Jungle Safari to Math Mayhem to a Western Roundup, all encouraging children to enjoy reading in a variety of ways. Each session has plenty of suggestions so that the program can be customized. Helpful Hints for implementing the program can help any librarian, volunteer, or parent turn a ho-hum storytime into a dazzling *StoryCraft* time      **Black Water** Brenna Marie, 2016-08-02 From the author of *Apple Tree Yard*, a masterful thriller about espionage, love, and redemption. John Harper is hiding in a remote hut on a tropical island. As he lies awake at night listening to the rain on the roof, he believes his life may be in danger. But he is less afraid of what is going to happen than of what he's already done. In a local town, he meets Rita, a woman with her own tragic history. They begin an affair, but can they offer each other redemption? Or do the ghosts of the past always catch up with us in the end? Moving between Europe during the Cold War, Civil Rights era, California, and Indonesia during the massacres of 1965 and the subsequent military dictatorship, *Black Water* explores some of the darkest events of recent history through the story of one troubled man      *Twelve Dancing Princesses Series Part One* Christine Young, 2020-04-15 Allura's Secret Allura McClellan is horrified by her father's decision to take out an ad in the *Times* awarding her to the man strong enough and smart enough to win her hand and uncover her secrets. However, he is the first to refuse to concede defeat and pursue her despite her attempts to disguise her true appearance. Amorica's Wager Amorica Hepburn was sent to London to find a husband. However, finding a man was the last item on her agenda. With her two cousins

Amorica wagers she can dissuade her suitor before the others. Despite her efforts she discovers a chemistry that cannot be denied. Damian Andrews couldn't afford to trust the emerald-eyed spitfire who happened upon him. Secret Amorica's hatred of all men of his kind only inflames the war that rages between them. Ravyn's Marriage of Inconvenience. When the duchess decides to wed her to a wastrel and a fop, Ravyn Graham takes matters into her own hands and declares her engagement to another man. Instead of fessing up and telling her great aunt what she has done, she goes through with the pretense. Aric Lakeland is the bastard son of an earl and has a dangerous reputation. But Ravyn is willing to do most anything to keep the duchess from discovering the lie. Christel's Sunrise Life has thrown Christel McClellan some experiences that could have devastated a less determined woman. Beautiful, self-assured and fiercely independent, she is trying to forget the loss of her stillborn child. But is the child alive? Life is carefree for Ryder MacLaren, who loves to see what is on the other side of the sunrise. Laird of Clan MacLaren, he is wealthy, handsome and happily unencumbered until stunning Christel McClellan enters his life. When he hears her story, he believes the child she thought dead has been sold to a wealthy buyer.

**Raised By Unicorns** Frank Lowe, 2018-06-12. I am honored to recommend this book to ALL parents. It relates to all families, tolerance and love. Greg Berlanti, writer, producer, director. Raw and unfiltered. Lowe breaks new ground, highlighting the dire need for further exploration. 5 Hearts Foreword Reviews. A powerful eye opener. Amanda Hopping, Winn, chief program officer, Family Equality Council. Raw, personal and uncensored. This must-read book gives us insight as to what it's like to be raised by same-gender parents and how that can impact one's life. Eric Rosswood, author of *The Ultimate Guide for Gay Dads* and *Journey to Same Sex Parenthood*. In recent years, the world has been saturated by endless blogs, articles and books devoted to the subject of LGBTQ parenting. On the flip side, finding stories written by the children of LGBTQ parents is akin to searching for a needle in a haystack. Now that the world is more accepting than ever of non-traditional families, it's time to create a literary space for this not-so-unique, shared but completely individual experience. In *Raised by Unicorns: Stories from People with LGBTQ Parents*, Frank Lowe has carefully edited an anthology that reflects on the upbringing of children in many different forms of LGBTQ families. From Baby Boomers to Generation Z, it features diverse stories that express the distinctiveness of this shared journey and of each particular family. It's visceral, raw and not always pretty, but love is always the common thread. Lowe candidly reveals true accounts of this particular niche of humanity while simultaneously creating a moving snapshot of the world in which we live. *Raised by Unicorns* guides the reader through an empathetic journey that is nothing short of compelling and poignant. We've all heard the phrase "raised by wolves." Now we have a window into the complex world of being raised by unicorns.
