Twelve Ordinary Men Study Guide:

Twelve Ordinary Men John F. MacArthur, 2006-05-08 Discover how God used ordinary men Jesus's twelve chosen disciples to change the world and how He can accomplish the same thing through you You don't have to be perfect to do God's work Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament Join bestselling author John MacArthur in *Twelve Ordinary Men* as he draws principles from Christ's careful hands on training of the original disciples for today's modern disciple you Jesus chose ordinary men fishermen tax collectors political zealots and turned their weakness into strength producing greatness from people who were otherwise unremarkable The twelve disciples weren't the stained glass saints we imagine On the contrary they were truly human all too prone to mistakes misstatements wrong attitudes lapses of faith and bitter failure Simply put they were flawed people just like us But under Jesus teaching and touch they became a force that forever changed the world MacArthur takes you into the inner circle of the disciples their selection their training their personalities and their incredible impact As MacArthur took a closer look at the lives of the twelve disciples he found himself asking difficult questions along the way including Why did Jesus pick each of the twelve disciples How did Jesus teach them everything he could in just eighteen short months Can the lessons that Jesus taught the disciples can still influence our faith today In *Twelve Ordinary Men* you'll learn that disciples are living proof that God's strength is made perfect in weakness As you get to know the men who walked with Jesus you'll see that if he can accomplish his purposes through them he can do the same through you

Twelve Ordinary Men Workbook, Revised and Updated John F. MacArthur, 2025-06-10 If Jesus Used These Men He Can Also Use You They weren't saints They weren't scholars They weren't even religious sages What is most amazing about the disciples is that Jesus ever selected them at all Among them a handful of common fishermen a hated tax collector and an impulsive political zealot The *Twelve Ordinary Men Workbook* brings you face to face with the disciples as you've never seen them You'll put yourself in their shoes You'll understand their doubts and hopes And you'll hear the power of Jesus words in a whole new way The message is clear If Christ can accomplish His purposes through the lives of common men like these imagine what He has in store for you Based on John MacArthur's bestselling book of the same name this revised and updated edition of the workbook includes biblical studies of each disciple thought provoking questions and life application assignments Lessons include The Men Jesus Called Outstandingly Ordinary Peter The Unlikely Leader Andrew The Apostle of Small Things James The Apostle of Passion John The Apostle of Love Philip The Bean Counter Nathanael The Guileless One Matthew and Thomas The Tax Collector and the Twin James the Less Simon the Zealot and Judas not Iscariot The Not So Well Known Trio Judas The Traitor

The Twelve Josh G Ketchum, 2013-05-21 The Twelve Apostles of Jesus Christ changed the world because Christ had changed them This book is written as a Bible classroom text in an outline format with discussion

questions It serves as a study guide to John MacArthur's book *Twelve Ordinary Men* and expands and discusses much of the ideas found in that excellent work It is thirteen chapters *12 Ordinary Men Who Lived Extraordinary Lives* Diane Rafferty, 2021-11-19 This study guide is designed to help you explore how God speaks to and through ordinary people and how His message can be applied to your life today In this study you will examine the lives of twelve ordinary men whom God chose to tell His message They vary in age education occupation marital status and spiritual maturity Some of them complain to God about the message and others are fearful to speak the message and one even runs away These were real men living in a world much like ours today and just like then it is still God's joy to work through ordinary people to reveal His message to the world Are you an ordinary person If so God wants to talk to you **Twelve Unlikely Heroes Study Guide** John F. MacArthur, 2012-09-03 Enoch who never died Samson who killed an army with a donkey's jawbone James who grew up as the brother of the Messiah These are fascinating people whose stories are woven through history and the Bible They show us God at work in unexpected ways and numerous cultures They each reveal another little piece of His great plan But how do they affect my life If John MacArthur's *Twelve Unlikely Heroes* presents intimate portraits of these individuals this study guide is the bridge between those portraits and our daily lives Commentary and poignant questions bring the points home with unflinching candor urging us toward a deeper walk with the One who has written all our stories REWIND look again at important passages RETHINK check all the angles REFLECT consider how it affects you REACT change your life **Twelve Ordinary Men** R C Hetrick, 2022-10-04 I tried to communicate the human side of some of Christ's disciples Too many of us think of these guys as saints Although they did amazing and miraculous things for the kingdom of God they were as ordinary as you and me until their encounter with Jesus Christ Then and only then were they able to accomplish what they did for the Lord My prayer is that when you read this book you might realize that you too can have the same power the disciples had to reach people in your sphere of influence After all we have the same spirit and serve the same God the God of Abraham Isaac and Jacob the God of the Bible Please feel free to reach out to the author directly by emailing twelveordinarymen@gmail.com

The Jesus You Can't Ignore (Study Guide) John F. MacArthur, 2009-07-26 Do you want to learn more about who Jesus really is In *The Jesus You Can't Ignore* author and pastor John MacArthur reintroduces a critical aspect of the Savior that has seemingly been forgotten Yes the Savior tenderly held little children in His arms but He also violently overturned tables in the temple He gently touched a blind man's eyes but He scourged pompous thieves with a whip His words soothed grief-stricken parents and angered the religious establishment of His day Because some prefer the meek and mild Jesus it's become commonplace to ignore the fullness of the Savior In this study guide you will dig deeper into the Savior as He truly is gaining the lifelong impact of knowing His character and His ways using the following tools Probing questions for personal reflection Multiple choice exercises to get to real answers to your questions Deeper discussions of the biblical text and cultural context of Jesus' day Rewind reflect and react sections to increase your knowledge and inspire new action Verse by

verse John MacArthur unpacks the Jesus Christ the Bible presents Page by page you will reach new conclusions about the Jesus too often overlooked Discover a vivid portrait of the Messiah as He really is *Twelve Unlikely Heroes* John F. MacArthur,2014-08-19 John MacArthur reveals how God worked through ordinary people in some unexpected ways Far from the children s tales depicted in picture books and nursery rhymes the men and women highlighted in the Bible were unnervingly real They faltered They struggled And at times they fell short Yet God worked through them in surprising and incredible ways to accomplish His purposes Scripture does not hide their weaknesses caricature their strengths or spin their stories as a display of human nobility Instead it describes these heroes of the faith with unflinching honesty and delivers an unexpected ending God is not ashamed to be called their God Hebrews 11 16 In *Twelve Unlikely Heroes* pastor and best selling author John MacArthur uses his deep knowledge of the Bible and history to take us back to see these three dimensional men and women in their own times and cultures In doing so it becomes clear how their dramatic stories apply to us today People who might at first seem foreign quickly become familiar and unforgettable particularly as they reveal the true Hero behind every witness the power counterbalancing every weakness the Author and Finisher of our faith Hebrews 12 1
