the Three Legacies and looks at A A through the eyes of some early non alcoholics who influenced the Fellowship s history The first part is co founder Bill W s reminiscent sketch of the Convention in which he takes an appreciative look at many of the participants and reflects on events that shaped A A The second part consists of Bill s three Convention talks edited and enlarged on the Legacies of Recovery Unity and Service Here is Bill s story how he drank got sober met Dr Bob and other founding members and how they struggled together to keep A A going with little guidance beyond the lessons of experience Then Bill moves on to describe how the Twelve Traditions developed as A A s protective shield against the human faults that lead alcoholics into trouble drunk or sober And he finishes by laying out the development of A A services culminating in the formation of the General Service Conference to serve as guardian of A A s Traditions and world services In the third part readers will meet five early friends of A A Dr Harry Tiebout the first psychiatrist to openly espouse A A Dr W W Bauer of the American Medical Association Jesuit Father Edward Dowling and Episcopal priest Dr Samuel Shoemaker both of whom helped shape A A s spiritual principles and Benard B Smith attorney and longtime chair of the General Service Board These nonalcoholics tell of their association with A A the part they played in its development and their view of what the future holds
