Hearts of Darkness Jane Marcus,2004-01-01 In this book one of modernism s most insightful critics Jane Marcus examines the writings of novelists such as Virginia Woolf Nancy Cunard Mulk Raj Anand and Djuna Barnes artists whose work coincided with the end of empire and the rise of fascism before the Second World War All these writers delved into the dark hearts of imperialism and totalitarianism thus tackling some of the most complex cultural issues of the day Marcus investigates previously unrecognized ways in which social and political tensions are embodied by their works The centerpiece of the book is Marcus s dialogue with one of her best known essays *Britannia Rules The Waves* In that piece she argues that *The Waves* makes a strong anti imperialist statement Although many already support that argument she now goes further in order to question the moral value of such a buried critique on Woolf s part In *A Very Fine Negress* she analyzes the painful subject of Virginia Woolf s racism in *A Room of One s Own* Other chapters traverse the connected issues of modernism race and imperialism In two of them we follow Nancy Cunard through the making of the Negro

anthology and her appearance in a popular novel of the freewheeling Jazz Age Elsewhere Marcus delivers a complex analysis of *A Passage to India* in a reading that interrogates E M Forster's displacement of his fear of white Englishwomen struggling for the vote Marcus as always brings considerable gifts as both researcher and writer to this collection of new and reprinted essays a combination resulting in a powerful interpretation of many of modernism's most cherished figures
