Brothers and Sisters in Adoption Arleta James, 2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive *Adoption and the Gospel* Gerald D. Clark, 2014-10-15 Adoption and The Gospel delivers sound biblical doctrine that most have never heard One does not need to be a bible scholar to understand its message Gerald Clark chronicles his struggle to overcome his traditional image of an orphanage and how he learned from heart wrenching personal experiences with the children what they so desperately want and need Six years working with children in an orphanage in the Philippines left Gerald and his wife seeking answers to difficult and very troubling questions If God loves me why am I an orphan If you love me why don't you adopt me I kept asking myself What's wrong with this picture No matter how much we love and care for children in an orphanage they're still orphans What's wrong with the picture is that we simply don't understand that children just don't want to be orphans Would we need more orphanages if Adoption was part of the Global Mission Strategy of every evangelical church in the world Adoption says something about the Gospel and God's love that no other word can say The Gospel is incomplete if it fails to include adoption Jesus came into the world to bring us a living example of God's love so that we might receive the adoption as sons Galatians 4:4-5 As many as received Him to them He gave the right to become children of God John 1:12 The solution to the world's orphan crisis is found in the bible Adoption Ministry equips the church
