Twice A Princess In A Fairy Tale World:

Twice a Princess Susan Meier,2010-04-07 Dearest Godmother I only have one more match to make to break this curse if only I wasn't utterly distracted by my devastatingly handsome boss resort owner Alexander Rochelle I know I should stay away from him I am betrothed to a prince in my country after all but Alexander's kindness his humor and his sexy kisses are keeping me up at night in spite of my better judgment And now Fate has decreed Alexander as the next match to find true love in spite of his apparent disbelief in tender emotions If I can convince him forever is a promise worth making is it too much to hope that the woman he vows to cherish will be me Your lovelorn goddaughter Princess Meredith *Folktales Retold* Amie A. Doughty,2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with **A Little Night**

Every Inch a Cowboy Madeline Baker,2014-07-15 And all Dana Westlake wanted was to be left alone to mend her broken heart Then one stormy night a wounded cowboy appeared on her doorstep And though Dana tried to protect her emotions while she nursed Chay Lone Elk's wounds she couldn't stop her pulse from racing at his touch or her heart from melting Chay's wild days on the rodeo circuit were behind him Now the brooding bachelor lived for one thing the Montana ranch that would one day be his But when city girl Dana treated him with tender care Chay realized exactly what he'd been missing the love of a good woman **Twice Upon a Time** James Riley,2013-04-16 Jack of the village of Giant's Hand is now accompanied by a prince as he continues trying to help a reluctant princess find her family while also attempting to save a city full of fairies from a nameless curse Twice upon a Time Elizabeth Wanning Harries,2018-06-05 Fairy tales often said

to be timeless and fundamentally oral have a long written history However argues Elizabeth Wanning Harries in this provocative book a vital part of this history has fallen by the wayside The short subtly didactic fairy tales of Charles Perrault and the Grimms have determined our notions about what fairy tales should be like Harries argues that alongside these compact tales there exists another complex tradition tales written in France by the conteuses storytelling women in the 1690s and the late twentieth century tales by women writers that derive in part from this centuries old tradition Grounded firmly in social history and set in lucid prose Twice upon a Time refocuses the lens through which we look at fairy tales The conteuses saw their tales as amusements for sophisticated adults in the salon not for children Self referential frequently parodic and set in elaborate frames their works often criticize the social expectations that determined the lives of women at the court of Louis XIV After examining the evolution of the Anglo American fairy tale and its place in this variegated history Harries devotes the rest of her book to recent women writers A S Byatt Anne Sexton Angela Carter and Emma Donoghue among them who have returned to fairy tale motifs so as to challenge modern day gender expectations Late twentieth century tales like the conteuses force us to rethink our conception of fairy tales and of their history
