The Struggles of Caregiving Nell E. Noonan, 2012-02-01 Caregiving is a demanding task that takes a huge toll on the person providing care mentally, emotionally, physically, and spiritually. Nell Noonan, speaking from her own experience as caregiver for her husband, describes caregiving as a cataclysmic spiritual experience. She says it's critical for caregivers to practice self-care so they can cope with their situation. Paying attention to one's spiritual health is especially important. The 28 Days format, 4 weeks of brief daily readings that include scripture and prayer, provides an accessible way for caregivers typically stressed and pressed for time to devote a few minutes to their spiritual health. Noonan's honesty and faith are hallmarks of her writing. Speaking from her own experience and the experiences of others, she does not avoid difficult situations and the feelings that accompany them. Noonan witnesses to the strength she finds as she continually turns to God even in her darkest moments. Caregivers will appreciate these devotions that are both forthright and uplifting. This book makes a thoughtful gift for any caregiver or for staff members of a facility for older adults.

Dear Caregiver: Take a Moment and Walk with Me Karen

Seelenbinder, 2018-04-05 Once my viewpoint becomes their viewpoint, my personal perspective of the situation changes. The stories in *Dear Caregiver: Take a Moment and Walk with Me* are based on my personal experiences with Katherine, a woman in her seventies who lives with the physical and mental disabilities caused by Lewy Body Dementia. During a five-year time period as her caregiver, I recorded each treasured moment within twenty-four hours after each event occurred. Katherine's words and expressions remain fresh in my mind despite the passing of the years. As a new part-time caregiver for my mother, who was diagnosed with Alzheimer's nearly three years ago, *Take a Moment and Walk with Me* is a true blessing and inspiration. This book of devotions is an excellent guide for anyone who is taking this journey for the first time. These devotions have made my heart lighter as I start each day wondering what special moment God will bless me with, my mother instead of facing each day with a heavy heart.

Selena Freeland, *Memories* This book will touch your heart and soul. As a past and current caregiver, these memories bring back so many of my memories. Currently, I am taking care of my dad in his journey through Parkinson's and Dementia. This book has uplifted me to find a special memory every day of this journey. Knowing there is a Bible verse out there to highlight each memory is such a blessing. I encourage all caregivers to let this book lift you up before, during, or after your journey. Let these words and Bible verses give you peace, encouragement, and strength.

Janet Sisko, *My mom* has lived with us for 14 years, and her mind has been failing her for the past three. As I read Karen's devotional, I first realized how every day is written so well that you feel like you are right there with them. Many situations are very similar to what I face with my mom. I am so amazed at how compassionate Karen is and how she has such a sense of how Katherine thinks and feels. She also gives caregivers practical ways to assist and care for our loved ones. This devotional is very helpful and inspirational for any caregiver, and the Bible verses give us a glimpse of God in any situation.

Linda Corner, **Blessings and Prayers for Caregivers** Annetta E. Dellinger, Karen Boerger, 2010 This book provides

encouragement for the realities of daily care giving challenges Through brief Gospel focused readings and Scripture verses this small book offers refreshment and renewal for the exhausted caregiver Each reading focuses on Jesus as the source of our hope and strength **Grace on the Go** Barbara Bartocci,2008-03 Caregiving is a journey like no other This pocket companion offers hope and prayerful guidance along the way Read it once read it twice read it every day Joel Carmer hospice chaplain Kansas City Crisis Care Crisis Prayer Dr Dan R Crawford,2020-09-23 Help For The Caregiver Here are forty daily devotionals related Scripture passages and Jesus modeled prayers for the crises that are sure to occur while caregiving Integrated into these devotionals are facts and tips for caregivers from numerous national and state caregiver resources so that they will be informational as well as inspirational Our prayer is that as you study these pages you will find or renew the faith hope and love so necessary in the life and heart of a very special person a caregiver As you complete these forty days of care and prayer you will be more spiritually prepared to realize the joys and to deal with the challenges that come from caregiving **Hope for the Caregiver** Peter Rosenberger,2015-10-15 There are 65 7 million caregivers in America making up 29 percent of the U S adult population Where does the caregiver turn when dealing with their own need for encouragement and renewal
