

A black and white photograph of a person walking away on railroad tracks. The person is wearing a light-colored t-shirt and dark pants, and is seen from behind. They are walking on the left track, with their right arm extended towards the right track. The tracks curve into the distance, flanked by trees and foliage. The overall mood is contemplative and solitary.

Hester Dark Emma Blair, 2016-10-13 Even to a girl from the slums of Bristol the streets of Glasgow were inhospitable and grey the wealth and splendour of its mansions cold and heartless But for Hester Dark there could be no turning back she would make this cruel city the home of her dreams Everyone said that Hester was lucky Lucky to have a wealthy uncle in Scotland who was willing to take her in Lucky to have all the advantages that his money could buy But Hester's new bright world held dark secrets jealousies and fears And no one had spoken of the women who would despise her for her beauty and her independence and the men who would buy her soul and call it love Praise for Emma Blair An engaging novel and the characters are endearing a good holiday read Historical Novels Review All the tragedy and passion you could hope for Brilliant The Bookseller Romantic fiction pure and simple and the best sort direct warm and hugely readable Women's fiction at an excellent level Publishing News Emma Blair explores the complex and difficult nature of human emotions in this passionately written novel Edinburgh Evening News Entertaining romantic fiction Historical Novels Review Emma Blair is well worth recommending The Bookseller

Babel Tower A. S. Byatt, 2012-04-18 The Booker Prize winning author of *Possession* presents an extraordinary story set against the backdrop of the 1960s a turbulent decade of clashing politics passionate ideals and shifting sexual roles At the heart of *Babel Tower* are two law cases twin strands of the Establishment's web that shape the story a painful divorce and custody suit and the prosecution of an obscene book Frederica the independent young heroine is involved in both She startled her intellectual circle of friends by marrying a young country squire whose violent streak has now been turned against her Fleeing to London with their young son she gets a teaching job in an art school where she is thrown into the thick of the new decade Poets and painters are denying the value of the past fostering dreams of rebellion which focus around a strange charismatic figure the near naked unkempt and smelly Jude Mason with his flowing gray hair a hippie before his time We feel the growing unease the undertones of sex and cruelty The tension erupts over his novel *Babbletower* set in a past revolutionary era where a band of people retire to a castle to found an ideal community In this book as in the courtrooms as in the art school's haphazard classes and on the committee set up to study the teaching of language people function increasingly in groups Many are obsessed with protecting the young but the fashionable notion of children as innocent and free slowly comes to seem wishful and perilous In Byatt's vision the presiding genius of the day seems to be a blend of the Marquis de Sade and *The Hobbit* Peopled with weird and colorful characters charted with brilliant imaginative sympathy *Babel Tower* is as comic as it is threatening and bizarre
