Tying Rocks To Clouds Meetings And Conversations With Wise And Spiritual People

James William Coleman

Tying Rocks To Clouds Meetings And Conversations With Wise And Spiritual People:

Tying Rocks to Clouds William Elliott, 1996-03-01 With intrepid good spirits author Bill Elliott interviews the world's foremost spiritual figures acquainting us with their exuberant earthly charms as well as their insight and intelligence. Propelled since childhood by the untimely deaths of his parents Elliott traveled the globe to meet with these luminaries and directly find out their answers to the fundamental questions of existence: What is life's purpose? What is God or Ultimate Reality? Why do people suffer? Does a part of us live on after death? The list of people he met is both diverse and impressive. Not only do they represent every major religious tradition from Rober Schuller, Rabbi Harold Kushner and Norman Vincent Peale to His Holiness the Dalai Lama and Jack Kornfield but also an exciting variety of perspectives from Ram Dass to Mother Teresa to psychologist B F Skinner. Time and again the sages included here warmed to Elliott's heartfelt longing for meaning in the world. Their views are framed by Elliott's endearing voice, engaging and perceptive, and by his wonderfully warm sense of humor. *Tying Rocks to Clouds* is sometimes sad, often funny, and always filled with freshness and joy as it reveals wisdom collected from across the world.

Integrative Therapies for Fibromyalgia, Chronic Fatigue Syndrome, and Myofascial Pain Celeste Cooper, Jeffrey Miller, 2010-02-05 A guide to coping with fibromyalgia, myofascial pain, and chronic fatigue syndrome. Reveals how to deal with each disorder and how treatments can interact or aggravate if more than one disorder is present. Offers techniques to dispel the side effects created by these illnesses. Fibromyalgia, chronic myofascial pain, and chronic fatigue syndrome are often seen as interchangeable conditions, a belief held even by many health care providers. Nothing could be further from the truth; however, they do often coexist. Knowing if more than one of these disorders is present is extremely important because the treatment for one of them can often exacerbate the problems caused by the others. Written by a registered nurse and a psychologist who has been treating these conditions since 1994, this book presents an integrative medical approach to these three disorders with a strong emphasis on utilizing and strengthening the mind-body connection to restore well-being. The authors provide a thorough guide to numerous treatment options, from diet, exercise, and herbs to mindfulness, meditation, chi kung, and nonsteroidal anti-inflammatory drugs (NSAIDs). They also offer techniques to dispel the brain fog that these disorders often create and show how to overcome the resultant obstacles to effectively communicating with your doctor. The additional information included on the psychological issues that accompany these chronic pain disorders allows this integrative treatment guide to open the door not only to physical recovery but also emotional and mental well-being.
