U S Navy Seawolves The Elite Hal 3 Helicopter Squadron In Vietnam:

U.S.Navy Seawolves Daniel E. Kelly,2008-12-10 There were no dry runs for Seawolves in Vietnam They put their lives on the line every time In the Viet Cong infested Mekong Delta where small SEAL teams were always outgunned and outnumbered discovery brought swift deadly consequences and a radio call for backup from the United States Navy s very best the Seawolves The whirl of approaching rotor blades signaled their arrival as they tore through the jungle at treetop level gunners hanging off the skids shooting M 60s raining down their lethal mix of high explosives and incendiary death Seawolf Dan Kelly describes the origins of this extraordinary outfit Put through a training program unlike any other these men emerged to perform unparalleled feats of courage The stories of these elite warriors capture America s real heroes in all their guts and glory and demonstrate why the Seawolves are known as the most successful and most decorated unit in the Vietnam War

Vietnam War Slang Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang
