

Evidence law uses the Evidence Act (2008) Vic - often referred to as UEA for shorthand.
This is the act you will rely on for this exam.

1.1 Discuss the ways of tendering, as well as the admissibility of:

(1) the CCTV recording and Ms AMANI's testimony; 220 words

- Refer to identification evidence – more info can be found here:

<https://www.alrc.gov.au/publication/uniform-evidence-law-alrc-report-102/13-identification-evidence/definition-of-identification-evidence/>

- you must speak on whether this evidence is admissible and if it is how it will be adduced. -
- Any issues here will be that you do not ever see the faces of the accused, only black jackets and motorcycle helmets.

- you will need to identify that the CCTV is documentary evidence

- you will need to identify that Ms Amani's testimony is VERBAL evidence (*viva voce evidence*)

- refer to Week 3 - Study Notes - Documentary and Other Evidence word document attached

- refer to Week 2 - Study Notes - Verbal evidence, competence and questioning

(2) evidence collected from GILBERT and BURTON's apartment; 220 words

- evidence collected from the apartment is as follows:

a) two black motorcycle helmets **physical object /exhibit = real evidence**

b) a black jacket with label M.G (indicated owner as Mark Gilbert) **physical object /exhibit = real evidence**

c) pistol bullets and bullet shells **physical object /exhibit = real evidence**

d) laptop browser history = screenshot **documentary evidence**

- you will have to identify each type of evidence (I have highlighted these in yellow above)

refer to Week 3 - Study Notes - Documentary and Other Evidence word document attached

- for example, for DOCUMENTARY EVIDENCE:

Under the UEA, a party may adduce evidence of the contents of a document by tendering the document or by one or more of the following methods:

- **adducing evidence of an admission made by another party to the proceeding as to the content of a document (s48(1)(a))**
- **tendering a copy of a document (s48(1)(b))**
- **tendering a transcript of a recording (s48(1)(c))**

Uea Past Exam

G Thomas

Uea Past Exam:

The History of the University of East Anglia, Norwich Michael Sanderson, 2002-01-01 The University of East Anglia at Norwich was one of a number of new universities founded in Britain in the 1960s in response to the need to increase the provision for higher education Remarkable for its architecture primarily by Denys Lasdun and for its superb Sainsbury Art Collection its history is a telling commentary on the opportunities and problems faced by British universities over the last forty years The History of the University of East Anglia Norwich is a full account of UEA's foundation growth and distinctive character Michael Sanderson highlights both the university's successes and failures at the same time painting a picture of life teaching and research on the campus By examining the real problems faced by a leading British university he has provided an important contribution to British educational history

Archives of Pathology & Laboratory Medicine, 1988-07 Purely Formal Legal Theory Ottavio Quirico, 2025-04-16 This book elaborates on deontic logic and network theory to present a reductionist theory of the law disclosing a simple understanding of legal norms based on minimum necessary and sufficient notions The analysis explores the concept of a norm as a claim obligation relation that regulates conduct that is action and inaction among subjects in space and time Based on these five minimum notions the study illustrates legal systems as networks of substantive right duty relations that are procedurally organised according to time The research relies on basic Kripke style semantics as social matrixes to explain fundamental normative concepts and further on network science social network theory and graph theoretic notation based on ties and nodes to elaborate a formal representation of minimum necessary notions and of legal systems as deontic networks The book will be of interest to academics researchers and practitioners working in the areas of legal philosophy legal theory and international law

Forensic Science Review, 1989 The Salvadoran Peace Accords and Democratization Jack Spence, George Vickers, David R. Dye, 1995 **The Directory of Graduate Studies**, 1998 **Kenya After 50** Mickie Mwanzia Koster, Michael Mwenda Kithinji, Jerono P. Rotich, 2016-04-08 This book explores the key milestones in education gender and policy that Kenya has achieved since independence the challenges of this experience and the future prospects This edited collection of chapters also aims to illuminate the lessons learned from the experiences of the postcolonial period as well as postulate on the way forward Through this exploration of the Kenyan experience since independence the authors present an optimistic view that despite the many obstacles and challenges the country still has promising prospects as a nation
