*Re-forming Britain* Elizabeth Darling,2007-01-24 Re forming Britain considers the nature and practice of architectural modernism in inter war Britain in a new light Bringing hitherto little considered protagonists and projects to the fore it argues that rather than being an imported idiom the new architecture in Britain formed part of an ongoing attempt to make a modern nation Spanning the period 1925 42 the book focuses on the key sites from and through which architectural modernism emerged in the UK Part one considers the main arena in which a will to modernize Britain developed in the 1920s In parts two and three the author documents contextualizes and explains how this modernizing will was given modernist form discussing the work of architects such as Wells Coates Maxwell Fry and Connell and Ward and their allied ventures with likeminded reformers in other fields These collaborations produced narratives of modernity buildings projects exhibitions and books through which the book argues modernist reformers were able to persuade politicians and those with influence upon them that modernism was the means to re form the nation Re forming Britain offers the first in depth analysis of well known modernist schemes such as Kensal House and the Pioneer Health Centre but also brings previously little studied or unknown

activities to light This important work invites a new understanding of the nature of architectural modernism in inter war Britain and the ways in which it ultimately gave form to post war Britain      **Wells Coates** Wells Coates, Wells Coates Exhibition Committee, 1979      *Anthony Powell* Hilary Spurling, 2018-11-06 The author of the award winning *Matisse A Life* gives us the definitive biography of writer Anthony Powell and takes us deep into the heart of twentieth century London s literary life Insightful lively and enthralling this biography is as much a brilliant tapestry of a seminal era in London s literary life as it is a revelation of an iconic literary figure Best known for his twelve volume comic masterpiece *A Dance to the Music of Time* the prolific writer and critic Anthony Powell 1905 2000 kept company between the two world wars with rowdy hard up writers and painters and painters models in the London where Augustus John and Wyndham Lewis loomed large He counted Evelyn Waugh and Henry Green among his lifelong friends and his circle included the Sitwells Graham Greene George Orwell Philip Larkin and Kingsley Amis Drawing on letters diaries and interviews Hilary Spurling herself a longtime friend of Powell s as well as an award winning biographer has produced a fresh and powerful portrait of the man and his times      *The Architects' Journal* , 1997      **ABM** , 1981 Abstracts of journal articles books essays exhibition catalogs dissertations and exhibition reviews The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century up to the most recent works and trends in the late 20th century Photography is covered from its invention in 1839 to the present A particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature Approximately 13 000 new entries are added each year Published with title LOMA from 1969 1971      *Sources of Modern Architecture* Dennis Sharp, 1981      **View from a Long Chair** Jack Pritchard, 1984      *Journal of the Royal Society of Arts* Royal Society of Arts (Great Britain), 1979      **Designing the Modern Interior** Penny Sparke, 2009-06 Designing the Modern Interior reveals how the design of the inside spaces of our homes and public buildings is shaped by and shapes our modern culture      **Catalog of the Avery Memorial Architectural Library of Columbia University. 2d Ed., Enl** Avery Library, 1968      *Oxford Dictionary of National Biography: Clegg-Const* Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002      *Architectural History* , 1996      **Modern** Alan Powers, 2005 Encyclopedic in scope and structure this comprehensive study of Modern Movement architecture in Britain covers the work of such renowned architects as Walter Gropius Marcel Breuer Eric Mendelsohn and Serge Chermayeff together with specially commissioned photographs of all the major extant buildings      *Bulletin* , 1995      *Denys Lasdun* William J.R.
