Westernizing The Third World The Eurocentricity Of Economic Development Theories:

Westernizing the Third World Ozay Mehmet,2002-01-22 The second edition of this successful and popular text has been updated and revised to include recent issues in development economics Significant new additions include Asian values and development democracy human rights and good governance globalization and development boxed summaries of key arguments and glossary *Westernizing the Third World* identifies the mainstream economic theories which have been employed in developing countries The author examines these and explains why Eurocentric concepts are not suitable for the developing world

Westernizing the Third World Ozay Mehmet,1995 **Westernizing the Third World** Ozay Mehmet,1995 Is development theory Eurocentric Development was an idealistic mission in the postwar period pursued with great optimism and generosity Now against a rising tide of mass poverty refugees and displaced persons and social injustice many developing countries are worse off than in 1970

Contemporary Issues in Development Economics B. N. Ghosh,2001 This brand new collection of articles looks at both traditional concerns in economic development such as aid debt and the role of the IMF but also at gender brain drain military expenditure and postcolonial theory

Eurocentrism: a marxian critical realist critique Nick Hostettler,2013-05-07 The political and social structures of modernity are dominated by really eurocentric forms and relations yet the theorisation of the eurocentricity of modernity remains barely developed At the same time modern political and social theory is fundamentally eurocentric yet the critique of eurocentrism remains marginal to marxian and critical realist theory Addressing the eurocentrism of both modernity and modern theory *Eurocentrism A Marxian Critical Realist Critique* discloses the deeply embedded constraints it imposes on historical and social reflexivity Building on the insights of post structuralism and post colonialism Eurocentrism shows how the powerful anti eurocentric tendencies of the marxian critique of civil society and the critical realist critique of philosophy have been misunderstood or ignored It develops the latent potential of these traditions to develop a systematically anti eurocentric approach to understanding and explaining modernity

Bible and Poverty in Kenya Maurice Matendechere Sakwa,2008-02-28 Many strategies have been formulated to reduce poverty the most recent being the need to include the poor as co agents in the development process Culture understood as commonly shared values then becomes an important element in poverty alleviation Likewise religion becomes an important element of culture when the values of that religion are considered as widespread in the society Additionally political and economic factors are equally important for poverty alleviation This work is centered on a conceptual model postulating that cultural attitudes influence attitudes towards ends of poverty alleviation directly and indirectly through political and economic attitudes The study maps out the paths of influence of cultural religious values political and economic attitudes on those towards ends of poverty alleviation
