

Writing Game Study Guide

Answer the following questions in COMPLETE SENTENCES.

1. What is the mystery genre?

The mystery genre is meant to intrigue, confuse, and engage the reader. It creates suspense and helps the reader unravel the plot.

2. What is Barney Hordberg?

Barney Hordberg is the realtor who sold all of the flats in Sunset Towers to the apartment. He was also Samuel W. Wisting which we find out at the end of the novel.

3. What was Sunset Towers?

Sunset Towers faced East and wasn't actually a tower. It was more of a small apartment building. The fact that it was named Sunset Towers and faced East was odd.

4. What is the purpose of listing all of the names of the tenants in Sunset Towers?

The author wanted to introduce each character with a brief description so as to not give away too much information about who really killed Sam Wisting.

5. Why were all of the names placed when Mrs. Swenbeck was listed as Theda's partner?

None of the tenants in Sunset Towers wanted to be partners with Theda because of her behavior. The ladies gossip if they speak her bad and can be a bit of a bitch as they were just happy to own a home.

6. Why would Sandy McSwethers want Sam Wisting dead? **"This will confuse some students to**

because Sam Wisting was disguised as Sandy McSwethers at the end of the story. They need to think about Sandy McSwethers as the character.

Sandy McSwethers was the chairman of Sunset Towers. He was fired by Sam Wisting because he tried to organize a union at the Wisting Paper Products Corporation.

7. What does the "bird who was the smallest will be the one who beat the fourth" mean?

This quote is from Sam Wisting's will. It means that whoever figures out the 4th identity of Sam Wisting will be the winner of the game. (Sandy McSWETHERS, Barney HORDBERG, Nelson B. SANDERS, and Sam WISTING.)

8. Why are Theda's clothes important throughout the novel?
