What Daddy Did Donna Ford,2008-09-04 In this haunting and frank account Donna Ford bestselling author of The Step Child returns to the horrific abuse she suffered at the hands of her stepmother As a tiny girl of five and for six long years Donna was physically mentally and sexually abused She was starved beaten and loaned out to neighbours who raped and molested her and throughout her father stood by and did nothing When her stepmother finally left the family home Donna dreamed of a normal childhood in which she would be taken care of by the man who had up until this point failed her But it was not to be By telling the whole story of her Edinburgh childhood Donna tries to understand why the man who should have loved her the most her own father was the one who deceived her the most by continuing to allow men to abuse her Instead of finding a future of love and happiness Donna was once again thrust into a living nightmare of exploitation and betrayal by those who should have wrapped her up in their love While this is a true story of appalling child abuse it is also a tale of how exhilaration tenderness and self development can flourish despite childhood horrors We take a journey with Donna to discover the woman she has become a devoted mother of three and a talented artist and writer **My Story for His Glory**

Barbara Littlepage,2018-01-19 For about ten years I have been told to write my stories in a book form I never did it until now because I couldn t think of a title that was worthy My son David and I were talking one beautiful Halloween day at our church As we discussed his recent separation from his wife we also discussed my plans to build a new church auditorium I told him the one I wanted was probably going to cost about 900 000 00 and I didn t want to borrow money I knew that God had provided for our first building and I knew He could do it again I just couldn t see any way for that to happen for such a large amount David said Momma if you will write your stories it will sell That day after we left the church I came directly to the office and started to type and the title My story for HIS glory is what I typed first I didn t need to stress over the title anymore that was it Some secrets bring much greater destruction into our lives than if they were revealed Revealing secret sin is painful but God uses our honesty to bring a whole new dimension of freedom into our life Satan will never be able to use that secret sin to hold us in bondage any more Many others have allowed fear and shame to hold them back from taking the path that I have taken Revealing my secret took courage But God s incredible rewards await those who are willing to take the hard steps to live in open honesty I praise God that He brought me through all the pain and destruction that Satan was putting on me because now I live in freedom *The Novels of R.S.
