Exorcism Opoku Onyinah, 2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer **Angels Elect and Evil** C Fred Dickason, 1995-10-01 What are

angels like How many kinds are there Are mental disorders caused by their influence Long favored by scholars this classic has now been rewritten to give us accessible scriptural answers to our questions about the spirit world **The Handbook for Spiritual Warfare** Ed Murphy, 2022-02-01 Your guide to understanding all dimensions of spiritual warfare The Handbook for Spiritual Warfare is the most thorough treatment available of biblical and theological foundations and practical concerns for spiritual warfare Further revised and updated for the 21st century THE BOOK Equips leaders and mature believers Comprehensive coverage of all 3 dimensions of spiritual conflict the World the Flesh and the Devil Endorsed by Frank Peretti Dr C Peter Wagner and others *Systematic Theology, Second Edition* Wayne A. Practicing the Monastic Disciplines Sam Hamstra, Samuel Cocar, 2021-07-12 In *Practicing the Monastic Disciplines* authors Sam Hamstra Jr and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians especially those in the evangelical circle they inhabit Believing that moderns like themselves often flail in their Christian lives the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation This set of insights sees its completion in the spiritual theology of Evagrius Ponticus a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth one which treats seriously both the frailties of human nature and the potential for sanctification This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives
